

ACTION TRANSMITTAL

No. 2011-55 (revised August 15, 2011)

DATE: August 15, 2011
TO: Transportation Advisory Board
FROM: TAB Programming Committee
SUBJECT: Public Comment Report for the 2012-2015 Transportation Improvement Program (TIP) and adoption of the 2012-2015 TIP.

MOTION: That the Transportation Advisory Board accept the Public Comment Report and adopt the 2012-2015 Transportation Improvement Program (TIP) for the Twin Cities Metropolitan Area.

BACKGROUND AND PURPOSE OF ACTION: On Wednesday, June 15, 2011, the Transportation Advisory Board held a public hearing on the draft 2012-2015 Transportation improvement Program for the Twin Cities Metropolitan Area. Comments were also collected over a 45-day public comment period. The Public Comment Report is attached. The Technical Advisory Committee agreed with the report and recommended incorporating the changes in the staff responses.

The TAB Programming Committee also voted to amend the motion to recommend adoption of the 2012-2015 TIP to include three projects that were inadvertently left out of the draft final TIP for adoption. Each project was programmed in 2011 and is part of the regionally-adopted and federally-approved 2011-2014 TIP which is currently in effect. It was thought that these three projects would be ready to seek federal authorization in 2011, but they will not be ready and need to be included in the 2012-2015 TIP in order for the project sponsors to use the federal funds awarded to them. MnDOT staff brought this to the TAB staff's attention on August 9.

The three projects are highlighted in the tables that were emailed to the TAB on August 16 and distributed at the meeting. The tables are also attached to this action transmittal.
