

T Transportation Committee

Meeting Date: November 24, 2008

For Metropolitan Council Meeting: December 10, 2008

ADVISORY INFORMATION

Date:	November 10, 2008
Subject:	Issue Notice-to-Proceed to AECOM USA, Inc. for Professional Engineering Services Contract to Advance Preliminary Engineering for Central Corridor Light Rail Transit
District(s), Member(s):	District 7: Annette Meeks District 8: Lynnette Wittsack District 13: Richard Aguilar District 14: Kirstin Sersland Beach
Policy/Legal Reference:	Procurement of Professional Services
Staff Prepared/Presented:	Brian J. Lamb, General Manager, 612-349-7510 Mark W. Fuhrmann, Deputy General Manager, 651-602-1942 Rich Rovang, AGM – Transit Systems Development, 651-602-1941 Chris Gran, Director of Purchasing, 612-349-5060 Jim Alexander, Assistant Director Transitways Engineering, 651-602-1937
Division/Department:	Metro Transit / Central Corridor Project Office

Proposed Action/Motion

That the Metropolitan Council authorize the Regional Administrator:

- To issue a Notice-To-Proceed to AECOM USA, Inc. to advance Preliminary Engineering for Central Corridor Light Rail Transit (CCLRT) in an amount not to exceed \$15.8 million for a total contract authority not to exceed \$51.3 million

Background

On June 13, 2007, the Council authorized the Regional Administrator to negotiate and execute a professional services contract with DMJM Harris for Engineering Services for the CCLRT project in an amount not to exceed \$91 million and to issue a Notice-To-Proceed (NTP) for Preliminary and Advancing Preliminary Engineering activities through the end of calendar year 2008 in an amount not to exceed \$35.5 million. In November 2008, DMJM Harris adopted the name of their corporate parent, AECOM USA, Inc.

On August 3, 2007, the Council entered into a contract with the Engineering Services Consultant, DMJM Harris, in the amount of \$91 million to provide Preliminary Engineering, Advancing Preliminary Engineering, Final Design and Design Support Services during Construction for the CCLRT and issued an NTP for Preliminary Engineering and Advancing Preliminary Engineering Services through 2008 in an amount not to exceed \$35.5 million. The forecasted expenditures through 2008 are \$28 million.

Authorized Request for 2007-2008	\$35.5 million
Authorization Request for 2009	\$15.8 million
Authorization Request Total	\$51.3 million

The contract includes provisions to issue separate NTPs for Preliminary Engineering and Advancing Preliminary Engineering, Final Design, and Design Support during Construction. Council action is required to

issue NTPs for work beyond 2008. The Council has the right to terminate the contract at any time, should that be necessary.

Rationale:

AECOM USA, Inc. has provided an important role in advancing the design of the CCLRT. Council approval to issue an NTP to advance Preliminary Engineering in 2009 will allow this consultant to continue advancing the design in preparation to enter into Final Design

Funding

Funding in the amount of \$43.9 million is currently available for Preliminary and Advancing Preliminary Engineering activities. This amount is recommended to increase by \$69.0 million to a total of \$122.9 million in the 2009 Capital Budget.

Known Support/Opposition

Council funding partners, Ramsey County Regional Rail Authority, Hennepin County Regional Rail Authority, and the Counties Transit Improvement Board are providing additional funds in 2009.
