In July 2007, sector representatives sent a survey to the region’s cities and townships which asked the anticipated year/quarter 2008 comprehensive plan updates would be submitted to the Council for review and if there had been a change in the anticipated submittal date. A similar survey was sent to communities in April 2007.

More than 30 communities changed their anticipated submittal to a later quarter. There were 5 communities that changed their anticipated submittal to an earlier date. Sixteen communities previously had “No Information”. The following is a summary of anticipated submittals by year and then by quarter (percentages have been rounded). If a community did not respond to the July 2007 survey, the April 2007 survey information was used.

Anticipated CPU Submittal by Year:

| | | | | |
|----------------|---|-----|-------|--|
| Complete | = | 2 | (1%) | Prior Lake (Oct 2006); East Bethel (June 2007) |
| 2007 | = | 11 | (6%) | |
| 2008 | = | 158 | (87%) | |
| Post 2008 | = | 1 | (<1%) | |
| No information | = | 10 | (6%) | |

Anticipated CPU Submittal by Quarter:

General City/Township Summary:

Two 2008 comprehensive plan updates, Prior Lake and East Bethel, have been acted on by the Council. Belle Plaine's comp plan update has been submitted, but is currently incomplete for review. Eleven comprehensive plan updates are anticipated in 2007. It is expected that 168 comprehensive plans will be submitted in 2008, which assumes the communities with "No information" will submit in 2008. More than half of the cities and townships in the region will submit their comprehensive plan updates between July and December 2008.

County Planning

The following is a summary of the anticipated submittals of county comprehensive plan updates. Dakota County anticipates that they will submit in the first quarter (January-March) of 2008; Anoka, Scott, and Washington counties in the third quarter (July-September) of 2008; and Carver County in the fourth quarter (October-December) of 2008.
