Background

In December 2007, sector representatives sent a survey to the region's cities and townships which asked the anticipated quarter the 2008 comprehensive plan updates (CPUs) would be submitted to the Council for review. This report presents anticipated submittals dates for the region's cities and townships. Approximately 75% of the CPUs in the region will be submitted in the second half of 2008.

ADVISORY INFORMATION		
Subject	Status of 2008 Comprehensive Plan Update Submittals – January 2008	
Districts, Members	All Districts	
Prepared by	Phyllis Hanson, Local Planning Assistance Manager (651-602-1566) Mark VanderSchaaf, Planning and Growth Mgmt Director (651-602-1441) Guy Peterson, Community Development Director (651-602-1418)	
Division/Department	Community Development / Planning and Growth Management	

In December 2007, sector representatives sent a survey to the region’s cities and townships which asked the anticipated quarter the 2008 comprehensive plan updates (CPUs) would be submitted to the Council for review. The following is a summary of the anticipated submittals (percentages have been rounded). If a community did not respond with a submittal date, “No information” is indicated. It is likely these communities will submit their CPUs in the last quarter of 2008.

Anticipated CPU Submittals:

<u>Complete:</u>	=	2	(1%)	Prior Lake (Oct 2006); East Bethel (June 2007)
<u>Being Reviewed</u>	=	4	(<1%)	
<u>2008</u>				
First Quarter	=	7	(4%)	
Second Quarter	=	30	(17%)	
Third Quarter	=	68	(37%)	
Fourth Quarter	=	64	(35%)	
<u>Post 2008</u>	=	1	(<1%)	
<u>No Information</u>	=	6	(3%)	

General City/Township Summary:

Two 2008 comprehensive plan updates, Prior Lake and East Bethel, have been acted on by the Council. The Cities of Mayer, Belle Plaine and St. Anthony Village have submitted CPUs for review, but are currently “incomplete”. The City of New Germany submitted their CPU on January 14, 2008.

Seven additional CPUs are expected between February and March 2008. Between March and June, it is anticipated that 30 CPUs will be submitted. Approximately 75% of the CPUs in the region will be submitted in the second half of 2008.

County Planning

Dakota County anticipates they will submit in the second quarter (March-June) of 2008; Scott and Washington Counties in the third quarter (July-September); and Anoka and Carver Counties in the fourth quarter (October-December). Hennepin and Ramsey Counties only need to provide transportation and solid waste management plans including implementation programs. Council staff will be coordinating with Hennepin and Ramsey Counties on these plans.
