Proposed Action

That the Metropolitan Council authorize a grant of \$139,670 from the State Acquisition Grant Account in the Park Acquisition Opportunity Fund to the Minneapolis Park & Recreation Board to partially finance the acquisition of 1808 and 1812 Marshall Street NE and the tax equivalency payment for the 13th Ave. NE parcels as part of Above the Falls Regional Park. The Minneapolis Park & Recreation Board must use funds other than the I-35W bridge condemnation proceeds as the 25% local match (\$ 46,557), to the Council’s grant. The Council’s grant will be financed with \$83,802 from the 2008 Environment and Natural Resources Trust Fund appropriation and \$55,868 of Metropolitan Council bonds. (The Metropolitan Parks & Open Space Commission recommended an amendment to the recommendation to clarify the local match source to the Council’s grant).

Background

The Minneapolis Park & Recreation Board (MPRB) has negotiated the acquisition of four parcels in two locations that are owned by one owner (Galka). The parcels total 0.52 acre and includes 100 feet of shoreline on the Mississippi River in Above the Falls Regional Park. The seller is donating two of the parcels at 13th Ave. NE, so the MPRB is requesting a Park Acquisition Opportunity Grant for the remaining two parcels located at 1808 and 1812 Marshall Street NE. The total cost of the acquisition and related expenditures for these parcels is \$186,227. The Park Board requests \$139,670 to finance 75% of the cost from the Park Acquisition Opportunity Fund under rules adopted by the Metropolitan Council on June 25, 2008 for the period from July 1, 2008 to June 30, 2009.

Minnesota Session Law 2008, Chapter 257 requires the MPRB to use proceeds it received from the condemnation sale of park land for the I-35W bridge right of way (\$750,000) for acquiring other land on the Mississippi River for regional park purposes. The MPRB must report annually to the Council’s Regional Administrator and the MN Dept. of Finance Commissioner on how this money is spent. This is special legislation that allowed the MPRB to keep this money instead of returning it to the State of Minnesota since the land needed for the I-35 W bridge was originally purchased for park purposes with State bonds.

Rationale

The Park Acquisition Opportunity Fund is used to finance 75% of the costs to acquire land within Metropolitan Council-approved master plan boundaries of regional parks and trails after the requesting park

agency has exhausted any acquisition grants provided by the Metropolitan Council. The requesting park agency must provide a 25% match to the Council's grant.

Funding

The costs associated with the purchase of the 1808 and 1812 Marshall St. NE parcels and tax equivalency payment on all four parcels is as follows:

Purchase Price for 1808 and 1812 Marshall St. NE	\$ 176,000
MPRB Appraisal costs	\$ 2,400
MPRB Legal costs	\$ 2,500
Closing costs	\$ 3,000
Surveying costs	\$ 1,500
Property Tax Equivalency Payment required by law (180% of property taxes due to City of Minneapolis on all four parcels.)	\$ 827
Total:	\$186,227

The MPRB proposes to finance the acquisition with the following revenue sources:

Metropolitan Council Park Acquisition Opportunity Fund (75%)	\$ 139,670
<u>MPRB funds (25%)</u>	<u>\$ 46,557</u>
Total costs	\$ 186,227

The Council's grant would be financed from the State Acquisition Grant Account as follows:

2008 Environmental Trust Fund appropriation	\$ 83,802
Metro Council bonds	\$ 55,868
Total grant	\$ 139,670

Initially, the MPRB proposed to use money from the "I-35W account" described in the Background section to finance the 25% match to the Council's grant. Council staff raised the issue of whether the I-35W account could be used for the match because it may violate the Council's expenditure of the 2008 Environmental Trust Fund portion of the Council's grant. In this case, State funds in the I-35W account are not supposed to be matched with the 2008 Environmental Trust Fund portion of the Council's grant. The MPRB staff replied they had about \$100,000 of local funds in addition to the I-35W account that could be used to provide the 25% match to the Park Acquisition Opportunity grant.

Council staff also raised the question of whether a Park Acquisition Opportunity Grant should be awarded in this case since the MPRB had sufficient funds in the I-35W account to finance this acquisition, and was mandated by law to spend the account to buy regional park land along the Mississippi River. The MPRB staff replied that the MPRB was negotiating with other landowners along the Mississippi River and would use the I-35W account to purchase those parcels. The projected costs of acquiring these other parcels exceeded the amount in the I-35W account.

The rules for a Park Acquisition Opportunity grant state:

Grants from the Park Acquisition Opportunity Fund may only be awarded to finance a portion of the cost to acquire land within Metropolitan Council-approved master plan boundaries, and only after the requesting regional park implementing agency has used available acquisition grant funds previously provided by the Metropolitan Council.

The MPRB request is consistent with this rule because the land in question is within the Metropolitan Council-approved master plan boundary for Above the Falls Regional Park. Plus, the MPRB does not have acquisition grant funds previously provided by the Metropolitan Council to finance this acquisition. In this case the I-35W account was not provided by the Council, but by the State of Minnesota.

The Metropolitan Parks and Open Space Commission amended the staff recommendation to require the MPRB to finance the 25% match to the Council's Park Acquisition Opportunity grant with funds other than from the I-35 W account.

Known Support / Opposition

On November 10, the Metropolitan Parks and Open Space Commission unanimously approved the amended recommendation. There is no known opposition to the grant request.

SUBJECT: (2008-314) Acquisition Opportunity Grant request to purchase land for Above the Falls Regional Park, Minneapolis Park & Recreation Board

INTRODUCTION

The Minneapolis Park & Recreation Board (MPRB) has negotiated the acquisition of four parcels in two locations that are owned by one owner (Galka) that total 0.52 acre and includes 100 feet of shoreline on the Mississippi River in Above the Falls Regional Park. The seller is donating two of the parcels at 13th Ave. NE, so the MPRB is requesting a Park Acquisition Opportunity Grant for the remaining two parcels located at 1808 and 1812 Marshall Street NE. The total cost of the acquisition and related expenditures for these parcels is \$186,227—not \$190,176 stated in the MPRB request letter. The lower total is due to the fact that the Property Tax Equivalency Payment listed in the letter was incorrect. The correct amount is \$827—not \$4,976 for all four parcels. The corrected amount is based on the stipulation that MS 473.341 requires 180% of the city or township taxes due on land acquired for the Regional Park System to be paid as a property tax equivalency payment. Therefore 180% of the property taxes due to the City of Minneapolis only—not other taxes payable to Hennepin County and the Minneapolis School District for the Marshall Street NE parcels and the 13th Ave. NE parcels were used to calculate the correct Property Tax Equivalency Payment amount.

Due to the corrected total cost of \$186,227 for the acquisition of the Marshall Street NE parcels and the tax equivalency payment on the 13th Ave. NE parcels, the MPRB requests 75% of that cost (\$139,670) to acquire the parcels from the Park Acquisition Opportunity Fund (hereafter called “Fund”) (See **Attachment 1**, letter from Judd Reitkerk).

This memorandum analyzes this request against the rules for Park Acquisition Opportunity Fund grants for the period July 1, 2008 to June 30, 2009. It recommends approving a grant of \$139,670 to help acquire the Marshall Street NE parcels.

An additional \$1.5 million of Environment and Natural Resources Trust Fund revenue was added to the Fund shortly after July 1 based on the recently approved Laws of MN 2008 Chapter 367, Section 2, Subd. 3(i) appropriation as recommended by the Legislative Citizens Commission on Minnesota Resources. If \$139,670 is granted for the Marshall Street NE parcels and the tax equivalency payments on all four parcels, there would be \$2,461,012 remaining in the Fund for future land acquisitions. This grant complies with the Park Acquisition Opportunity Fund grant rule limit of \$1.7 million per agency for the period from July 1, 2008 to June 30, 2009. The MPRB could request other grants totaling \$1,560,330 from the Fund for other acquisitions if sufficient revenue was in the Fund during this period.

AUTHORITY TO REVIEW

Minnesota Statute Section 473.315 authorizes the, “Metropolitan Council, with the advice of the Metropolitan Parks and Open Space Commission, to make grants from any funds available to it for recreation open space purposes to any municipality, county or Park District located wholly or partially within

the metropolitan area to cover the cost, or any portion of the cost, of acquiring or developing regional recreation open space in accordance with the *Regional Recreation Open Space Policy Plan*".

BACKGROUND

The MPRB is obtaining a total of four parcels in two locations from one seller (Galka). The parcels are inholdings in the Above the Falls Regional Park. Two parcels are located adjacent to 13th Ave, NE next to Sheridan Memorial Park and comprise 6,900 sq. ft (0.15 acre). The address of this land is 9/15 13th Ave. NE. This land is being donated to the MPRB. The other two parcels are located at 1808 and 1812 Marshall Street NE and comprise 15,800 sq. ft. (0.36 acre). Figure 1 illustrates the location of these parcels in relation to the park's master plan.

Fig. 1: Galka parcels in Above the Falls Regional Park

Appraisals were completed on the parcels in May and after negotiations with the seller, the Park Board and seller agreed that the 9/15 13 Ave. NE parcels would be donated and that the parcels at 1808 and 1812 Marshall Ave. NE would be acquired for \$176,000.

Photos of the parcels are shown in Figures 2 and 3.

ANALYSIS

Here are the costs associated with the purchase of the 1808 and 1812 Marshall St. NE parcels:

Purchase Price for 1808 and 1812 Marshall St. NE	\$ 176,000
MPRB Appraisal costs	\$ 2,400
MPRB Legal costs	\$ 2,500
Closing costs	\$ 3,000
Surveying costs	\$ 1,500
Property Tax Equivalency Payment required by law (180% of property taxes due to City of Minneapolis on all four parcels. Amount in MPRB letter was incorrect as it was based on all property taxes—not just those to City of Minneapolis)	\$ 827
Total:	\$186,227

The MPRB proposes to finance the acquisition with the following revenue sources:

Metropolitan Council Park Acquisition Opportunity Fund (75%)	\$ 139,670
<u>MPRB funds (25%)</u>	<u>\$ 46,557</u>
Total	\$ 186,227

Background on Park Acquisition Opportunity Fund

The Park Acquisition Opportunity Fund is comprised of two accounts. One account is used to buy raw land with high natural resource values and is funded with Environment and Natural Resources Trust Fund revenue (ENRTF) and Metropolitan Council bonds. This account known as the State Acquisition Grant Account currently includes \$1.5 million of ENRTF revenue that was appropriated in the 2008 Legislative Session and is matched with \$1 million of Metropolitan Council bonds for a total of \$2.5 million. The grant for the Marshall Street NE parcels and the tax equivalency payment on the 13th Ave. NE parcels would be financed from this account since only land including a portion of Mississippi River shoreline is being acquired.

The second account is called the Metro Council Acquisition Grant Account (also known as the Land Acquisition Opportunity Account). It is comprised of Metropolitan Council bonds only. This account is used to buy land that includes houses and other structures. This account is projected to have a balance of \$100,682 if two grants to Three Rivers Park District for parcels at Lake Rebecca Park Reserve are approved by the Metropolitan Council on November 12. The projected balance for both accounts in the Fund is \$2,600,682 if the grants to the Park District are approved on November 12.

The Metropolitan Council has granted \$12,714,539 from the Fund to partially finance the acquisition of 1,729 acres. as shown in **Attachment 2**.

Based on the grants approved to-date and assuming the Council will approve the two grants to Three Rivers Park District on November 12, the updated balance of the Fund is \$2,600,682 as shown in Table 1 below.

Table 1: Projected Balance to Park Acquisition Opportunity Fund assuming grants to Three Rivers Park District are approved on November 12, 2008

\$2,400,000	Original amount in Park acquisition Opportunity Fund
\$3,357,000	Additional Council bonds added to Fund in June 2003
\$340,334	Additional Council bonds added that were not needed to match State funds for natural resource restoration grants. Added in December 2003
\$15,362	Additional funds added from closed grants as part of amendment to 2005 Unified Capital Budget on May 11, 2005
\$3,000,000	Additional Council bonds authorized to be added to Fund in July 2006
\$2,500,000	ENRTF appropriation added in July 2007
\$3,000,000	Additional Council bonds authorized to be added to Fund on December 12, 2007
\$1,500,000	ENRTF appropriation added in July 2008
\$16,112,696	Total funds provided over time
-\$12,714,539	Granted as of September 25, 2008 (For details see Attachment 2)
-\$ 304,725	Proposed grant to Three Rivers Park District for Baudin parcel at Lake Rebecca Park Reserve—pending Metro Council consideration on November 12, 2008
-\$ 492,750	Proposed grant to Three Rivers Park District for Westerlund parcel at Lake Rebecca Park Reserve—pending Metro Council consideration on November 12, 2008

Rules for distributing grants from Park Acquisition Opportunity Fund

On June 25, 2008 the Metropolitan Council adopted rules that govern the distribution of grants from the Fund for the period from July 1, 2008 to June 30, 2009. Those rules are indicated below in italic font. The following findings indicate that these rules have been met for the MPRB request to acquire the Marshall Street NE parcels for Above the Falls Regional Park.

A. Grants from the Park Acquisition Opportunity Fund may only be awarded to finance a portion of the cost to acquire land within Metropolitan Council-approved master plan boundaries, and only after the requesting regional park implementing agency has used available acquisition grant funds previously provided by the Metropolitan Council.

The MPRB request is consistent with this rule because the land in question is within the Metropolitan Council-approved master plan boundary for Above the Falls Regional Park. Plus, the MPRB does not have acquisition grant funds previously provided by the Metropolitan Council to finance this acquisition.

B. Any interest cost on a contract for deed or other timed payment plan is not eligible for grant funding. The value of a discounted sale (i.e. the difference between the appraised value and a reduced sale price) is not counted as part of the cost to acquire land and is not included as part of a local match to the grant.

There is one transaction proposed to purchase the land. The purchase price is the negotiated price between buyer and seller based on a certified appraisal for the land.

C. Grants from the Park Acquisition Opportunity Fund may finance a portion of the actual cost to acquire land after deducting any Metropolitan Council grants and other grants used to finance a portion of the cost as follows:

The Park Acquisition Opportunity Fund Grant finances 75% of the net cost of acquiring the land which is defined as the purchase price—not the appraised value; legal fees, appraisal costs and other closing costs incurred by the park agency; the property tax equivalency payment due to the city or township; and stewardship costs.

A contribution of 25% of the net cost of acquiring the land up to \$567,000 that is financed by regional park implementing agency funds or other sources is not eligible for reimbursement consideration by the Metropolitan Council. Seventy-five percent (75%) of a contribution above \$567,000 that is financed with regional park implementing agency funds only is eligible for reimbursement consideration by the Metropolitan Council.

The MPRB request is \$139,670 which is 75% of the \$186,227 cost to acquire the Marshall Street NE parcels and pay the tax equivalency payment on the 13th Ave. NE parcels. The MPRB will provide \$46,557 as a 25% non-reimbursable match to the Council's grant. The grant request and match to the Council's grant is consistent with this rule.

The maximum grant(s) available to a park agency is \$1.7 million during this time period.

Assuming up to \$139,670 is granted the MPRB could request other grants totaling \$1,560,330 from the Fund for other acquisitions if sufficient revenue was in the Fund during the July 2008 to June 2009 period.

Status of remaining Park Acquisition Opportunity Funds

If \$139,670 was granted for the MPRB on December 10, and the Metropolitan Council approved two grants to Three Rivers Park District for parcels at Lake Rebecca Park Reserve on November 12, there would be \$2,461,057 remaining for future acquisition opportunities as shown in Table 2.

Table 2: Updated Balance to Park Acquisition Opportunity Fund if grant is awarded for parcels at Above the Falls Regional Park

\$3,398,157	Balance of Acquisition Opportunity Fund as of September 25, 2008 (For details see Table 2 above)
-\$304,725	Proposed grant for Bauduin parcel at Lake Rebecca Park Reserve on Nov. 12, 2008
-\$492,750	Proposed grant for Westerlund parcel at Lake Rebecca Park Reserve on Nov. 12, 2008
-\$139,670	Proposed grant for Galka parcels at Above the Falls Regional Park on Dec. 10, 2008.
\$2,461,012	Balance if grant awarded for parcels

This acquisition grant is only for vacant land. Therefore the State Acquisition Grant Account comprised of \$1.5 million of Environment and Natural Resources Trust Fund revenue and \$1 million of Metropolitan Council bonds can be used. The State Acquisition Grant Account would have a new balance of \$2,360,330 as shown in Table 3.

Table 3: Updated Balance to State Acquisition Grant Account in Fund if grant is awarded for parcels at Above the Falls Regional Park

\$ 2,500,000	Balance in Account prior to awarding grant
-\$ 139,670	Proposed grant for Marshall Street NE parcels and 13 th Ave. NE parcels at Above the Falls Regional Park
\$2,360,330	Approximate Balance if grant awarded for parcels

CONCLUSION

1. The Minneapolis Park & Recreation Board's request of \$139,670 in Park Acquisition Opportunity Funds to purchase the parcels at 1808 and 1812 Marshall St. NE and pay the tax equivalency payment on the 13th Ave. NE parcels for Above the Falls Regional Park, is consistent with the rules for receiving a grant from the Park Acquisition Opportunity Fund.
2. The State Acquisition Grant Account should be used to finance the grant since only land is being acquired.

RECOMMENDATION

That the Metropolitan Council authorize a grant of \$139,670 from the State Acquisition Grant Account in the Park Acquisition Opportunity Fund to the Minneapolis Park & Recreation Board to partially finance the acquisition of 1808 and 1812 Marshall Street NE and the tax equivalency payment for the 13th Ave. NE parcels as part of Above the Falls Regional Park. The grant will be financed with \$83,802 from the 2008 Environment and Natural Resources Trust Fund appropriation and \$55,868 of Metropolitan Council bonds.

Subject: Acquisition Opportunity Grant Request - Above the Falls Regional Park

Dear Mr. Stefferud:

On behalf of the Minneapolis Park and Recreation Board, I am writing to request the Metropolitan Council's consideration of funding assistance for acquisition of park land within the Above the Falls Regional Park.

The Park Board has negotiated the purchase of two parcels along the east side of the Mississippi River. These parcels are located at 1808 and 1812 Marshall Street NE comprising of 15,800 square feet and 100 lineal feet of shoreline. These parcels are undeveloped and are key acquisitions for riverbank and open space protection within the Above the Falls park area. The parcels are owned by one individual and the Park Board has negotiated a purchase price based on appraisals from May of 2008. The combined appraised value of the two parcels is \$118,000. After significant negotiations and mutual agreement, the Park Board has agreed to a purchase price of \$176,000

In addition, there are two parcels located along 13th Ave NE, within Sheridan Memorial Park, comprising of approximately 6,900 square feet. There is a good chance that the owner will likely donate these to the Park Board. These parcels are key acquisitions to the park's entrance.

The Minneapolis Park and Recreation Board is requesting funding assistance through the Acquisition Opportunity Grant Program under the "75% Met Council/25% Local Match" rules. Under these rules, we are requesting an Acquisition Opportunity Grant in the amount of \$142,782 based on the 75% of the total estimated costs (see below). The Park Board acknowledges that the local match portion is non-reimbursable through the Regional Park CIP and will fund the local 25% match through its own local resources. Below is an estimated acquisition cost for the identified parcels:

Purchase Price (1808/1812 Marshall Street NE)	\$ 176,000
Appraisals	\$ 2,400
Legal	\$ 2,500
Survey	\$ 1,500
Property Tax (180%)	\$ 4,976
Closing Costs	\$ 3,000
Total related Acquisition Costs	\$ 190,376

I would like to thank the Metropolitan Parks and Open Space Commission and the Metropolitan Council for consideration of this request. As a result of your past support, the Park Board has provided the citizens of the metropolitan area with one-of-the best regional park systems in the county. We are proud to continue that tradition.

Sincerely

Judd Reitkerk
Director, Planning and Project Management
