Meeting date: April 16, 2012  
For the Council Meeting of April 25, 2012

**ADVISORY INFORMATION**

**Date:** April 6, 2012  
**Subject:** Park Acquisition Opportunity Fund Grant Request for Lake Rebecca Park Reserve, Three Rivers Park District  
**District(s), Member(s):** Metropolitan Council District 1, Roxanne Smith  
**Policy/Legal Reference:** MN Statute 473.315  
**Staff Prepared/Presented:** Arne Stefferud; Planning Analyst—Parks (651-602-1360)  
**Division/Department:** Community Development Division, Parks

**Proposed Action**

That the Metropolitan Council authorize a grant of up to \$646,500 from the Environment and Natural Resources Trust Fund Acquisition Account in the Park Acquisition Opportunity Fund to Three Rivers Park District to finance 75% of the acquisition costs to acquire 4 acres (Manor parcel) as depicted in Figure 1 for Lake Rebecca Park Reserve. The grant should be financed with:

- \$387,900 from the 2009 Environment and Natural Resources Trust Fund appropriation
- \$258,600 from Metropolitan Council bonds

**Background**

Three Rivers Park District has submitted a request for a Park Acquisition Opportunity Fund Grant to help finance the acquisition and related costs for 4 acres for Lake Rebecca Park Reserve. Total cost of the acquisition is \$862,000. Under the rules of the Park Acquisition Opportunity Fund grant program 75% of that cost or \$646,500 is requested.

**Rationale**

In 2001, the Metropolitan Council established a Park Acquisition Opportunity Fund grant program to assist regional park agencies in acquiring land for the Metropolitan Regional Park System. Land that is acquired must be within Metropolitan Council approved master plan boundaries for that particular park or trail unit.

**Funding**

This parcel qualifies for funding from the Environment and Natural Resources Trust Fund Acquisition Account because the seller of the parcel will remove all buildings prior to closing on the acquisition. The property includes frontage on the Crow River. If \$646,500 is awarded and \$524,342 was awarded for the Joseph's parcel for Spring Lake Park Reserve in Dakota County (agenda item

2012-129), there would be \$2,817,898 for future land acquisitions that qualify from the Environment and Natural Resources Trust Fund account.

**Known Support / Opposition**

The Metropolitan Parks and Open Space Commission unanimously recommended approval of the recommendation at its meeting on April 3, 2012.

**SUBJECT:** (2012-128) Park Acquisition Opportunity Fund Grant Request for  
Lake Rebecca Park Reserve, Three Rivers Park District  
Metropolitan Parks & Open Space Commission District A: Seyon Nyanwleh

**INTRODUCTION**

In 2001, the Metropolitan Council established a Park Acquisition Opportunity Fund grant program to assist regional park agencies in acquiring land for the Metropolitan Regional Park System. Land that is acquired must be within Metropolitan Council approved master plan boundaries for that particular park or trail unit. To-date, about \$23.46 million has been granted for the acquisition of 1,894 acres. The total related acquisition costs and market value of this land is about \$63.4 million. (See Attachment 2 at the end of this memorandum for a list of all grants awarded).

Three Rivers Park District has submitted a request for a Park Acquisition Opportunity Fund Grant to help finance the acquisition and related costs for 4 acres for Lake Rebecca Park Reserve. Total cost of the acquisition is \$862,000. Under the rules of the Park Acquisition Opportunity Fund grant program 75% of that cost or \$646,500 is requested. (See Attachment 1: Letter from Boe Carlson, Three Rivers Park District)

This memorandum analyzes the request against the rules for Park Acquisition Opportunity Fund grants. The memorandum recommends approving the grant. If \$646,500 is awarded and \$524,342 was awarded for the Joseph's parcel for Spring Lake Park Reserve in Dakota County, there would be \$2,817,898 for future land acquisitions that qualify from the Environment and Natural Resources Trust Fund account. Those acquisitions are for lands that contain high quality natural resource features and do not include the acquisition of a structure. Lands that have structures on them or have low natural resource qualities are financed from the Parks and Trails Legacy Fund account. That account has a balance of \$1,764,553.

**AUTHORITY TO REVIEW**

Minnesota Statute Section 473.315 authorizes the "Metropolitan Council with the advice of the Metropolitan Parks and Open Space Commission to make grants from any funds available to it for recreation open space purposes to any municipality, park district or county located wholly or partially within the metropolitan area to cover the cost, or any portion of the cost, of acquiring or developing regional recreation open space in accordance with the [*Regional Recreation Open Space*] Policy Plan".

## **BACKGROUND**

The Park Acquisition Opportunity Fund is comprised of two accounts:

The first account is called the Environment and Natural Resources Trust Fund Acquisition Account, which is used to purchase land with high quality natural resource characteristics. No residential structures can be acquired with this account. This account has a balance of \$3,988,740 at this time. The account is comprised of \$2,287,593 of Environment and Natural Resources Trust Fund revenue appropriated in the 2009 and 2011 Legislative Sessions and \$1,701,148 of bonds issued by the Metropolitan Council as a 40% match to the State appropriation.

The second account is called the Parks and Trails Legacy Fund Acquisition Account, which is used to purchase land that has low natural resource characteristics and any related structures –typically a parcel with a house or other buildings. This account is financed with Parks and Trails Legacy Fund appropriations from the Land and Legacy Amendment plus bonds issued by the Metropolitan Council. Under the assumption that the Metropolitan Council will approve the MPOSC recommended grant of \$1,526,723 for Trout Brook Regional Trail access on March 28<sup>th</sup>, this account has a balance of \$1,764,553. The account is comprised of \$659,966 of FY 2012 Parks and Trails Legacy Funds and \$1,104,587 of Metropolitan Council bonds.

The combined balance of both accounts is \$5,753,293 at this time. Grants from the Park Acquisition Opportunity Fund are awarded under a set of rules that were approved by the Council on June 24, 2009 and amended on December 14, 2011. The rules allow a grant or grants totaling \$1.7 million per year (July 1 to June 30) from each account to a park agency to finance up to 75% of the purchase price of the property plus related costs.

The 4 acre parcel proposed for acquisition hereafter referred to as the Manor parcel is depicted in Figure 1 -- a map and aerial photo of the parcel in relation to the park.

The property includes two houses and outbuildings which will be removed by the seller. That was taken into account in the appraisal.

## ANALYSIS

### Acquisition cost analysis

The total costs to acquire fee title for the 4 acres including related grant eligible costs is \$862,000 as shown in Table 1:

**Table 1: Costs for fee title acquisition of 4 acre Manor parcel for Lake Rebecca Park Reserve, Three Rivers Park District**

Parcel	Cost
Purchase price	\$ 850,000
Appraisal	\$ 3,000
Closing costs	\$ 4,000
Payment in Lieu of Property Taxes (180% of city taxes due at closing)	\$ 2,500
Pro-rated share of all local property taxes due at closing	\$ 1,000
<b>Total</b>	<b>\$ 862,000</b>

Three Rivers Park District requests that the acquisition be financed with the following revenue sources as shown in Table 2:

**Table 2: Revenue Sources for fee title acquisition of 4 acre Manor parcel for Lake Rebecca Park Reserve, Three Rivers Park District**

Metropolitan Council Park Acquisition Opportunity Fund (75%)	\$ 646,500
Three Rivers Park District (25%)	\$ 215,500
<b>Total:</b>	<b>\$ 862,000</b>

After consulting with staff from the Legislative-Citizens Commission on Minnesota Resources, this parcel qualifies for funding from the Environment and Natural Resources Trust Fund Acquisition Account because the parcel will not include a residential structure and includes high quality natural resources. In this case, frontage on the Crow River. The Park Acquisition Opportunity Fund grant would be financed as shown in Table 3.

<b>Total Grant</b>	<b>\$ 646,500</b>

## **Rules for distributing grants from Park Acquisition Opportunity Fund**

On June 24, 2009 the Metropolitan Council adopted rules that govern the distribution of grants from the Fund on a state fiscal year basis--July 1 to June 30. The rules were amended on December 14, 2011. Those rules are indicated below in italic font. The following findings indicate that these rules have been met for Three River Park District's grant request.

*A. Grants from the Park Acquisition Opportunity Fund may only be awarded to finance a portion of the cost to acquire land within Metropolitan Council-approved master plan boundaries, and only after the requesting regional park implementing agency has used available acquisition grant funds previously provided by the Metropolitan Council.*

Three Rivers Park District's request is consistent with this rule because the parcel is within the Metropolitan Council-approved master plan boundary for Lake Rebecca Park Reserve. Plus, the park agency does not have acquisition grant funds previously provided by the Metropolitan Council to finance this acquisition.

*B. Any interest cost on a contract for deed or other timed payment plan is not eligible for grant funding. The value of a discounted sale (i.e. the difference between the appraised value and a reduced sale price) is not counted as part of the cost to acquire land and is not included as part of a local match to the grant.*

The grant proposed here would be the only transaction for the parcel. The purchase price for the fee title acquisition is the negotiated price based on a certified appraisal for the land.

*C. Grants from the Park Acquisition Opportunity Fund may finance a portion of the actual cost to acquire land after deducting any Metropolitan Council grants and other grants used to finance a portion of the cost as follows:*

*The Park Acquisition Opportunity Fund Grant finances 75% of the net cost of acquiring the land which is defined as the purchase price—not the appraised value; legal fees, appraisal costs and other closing costs incurred by the park agency; the property tax equivalency payment due to the city or township; and stewardship costs.*

*A contribution of 25% of the net cost of acquiring the land up to \$567,000 that is financed by regional park implementing agency funds or other sources is not eligible for reimbursement consideration by the Metropolitan Council. Seventy-five percent (75%) of a contribution above \$567,000 that is financed with regional park implementing agency funds only is eligible for reimbursement consideration by the Metropolitan Council.*

Three River's Park District's request is 75% of the costs to acquire fee title to this parcel. Three Rivers Park District will provide a 25% non-reimbursable match to the Council's grant. The grant request and match to the Council's grant is consistent with this rule.

*The maximum grant(s) available to a park agency is \$1.7 million from the Environment and Natural Resources Trust Fund Acquisition Account and \$1.7 million from the Parks and Trails Legacy Fund Acquisition Account during the July 1 to June 30 time period.*

The grant is within the \$1.7 million limit from the Environment and Natural Resources Trust Fund Acquisition Account during this time period. If it is awarded, the Metropolitan

Council could award Three Rivers Park District other acquisition grants totaling \$1,053,500 from the Environment and Natural Resources Trust Fund Acquisition Account prior to June 30, 2012 under this rule. The Park District could also request up to \$1.7 million from the Parks and Trails Legacy Fund Acquisition Account for parcels that meet that account's requirements.

**CONCLUSION:**

The Environment and Natural Resources Trust Fund Acquisition Account in the Park Acquisition Opportunity Fund should be used to finance this grant because it is consistent with the utilization of this account.

**RECOMMENDATION:**

That the Metropolitan Council authorize a grant of up to \$646,500 from the Environment and Natural Resources Trust Fund Acquisition Account in the Park Acquisition Opportunity Fund to Three Rivers Park District to finance 75% of the acquisition costs to acquire 4 acres (Manor parcel) as depicted in Figure 1 for Lake Rebecca Park Reserve. The grant should be financed with:  
\$387,900 from the 2009 Environment and Natural Resources Trust Fund appropriation  
\$258,600 from Metropolitan Council bonds
