Proposed Action/Motion

The Metropolitan Council approve Resolution No. 2008-xxx granting approval of the proposed year 2009 Metropolitan Sports Facilities Commission Budget and Report on User Fee Charges.

Background

Under State statutes, the Council is required to approve or disapprove the annual budget of the Metropolitan Sports Facilities Commission (MSFC) by October 1 of each year.

Overview and Funding

Historically the Council's review was to determine if there were sufficient funds in the budget to make debt service payments and to provide for operating needs. Since there currently is no outstanding debt, the budget review focuses on the reasonableness for meeting operating/capital improvement needs. On August 21, 2008, the MSFC held a public hearing on the budget and sent it to the Council for review. Highlights of the 2009 budget are shown below. The entire budget is attached for your review.

	Operating Accounts	Repair/Capital/ Concession Accounts
Total Revenue	\$ 13,527,420	
Total Expenses	(15,081,400)	\$(1,285,000)
Transfers between funds	(1,340,000)	1,340,000
Net Increase (Decrease)	<u>\$ (2,893,980</u>)	<u>\$ 55,000</u>
Ending Account Balance	\$ 4,000,682	\$ 7,544,359

Total operating revenues for 2009 are budgeted flat as compared to 2008 projected results. An increase in operating revenues of approximately \$250,000 for the 2009 NCAA men's basketball regional offsets lost income resulting from Minnesota Gopher football moving to its campus stadium. Operating expenses are budgeted to increase by \$912,900 (6.4%). Operating expenses related to the NCAA regional costs account for the majority of the increase. Wage related expenses increase by 2.6% (\$100,000). All other expenses are budgeted to increase by less than 1%. The proposed budget recommends reducing the reserve account balances by \$2,838,980. The projected 2007 ending operating account balance of \$4,000,682 covers 27% of the 2009 budgeted operating expenses. Total ending balances of \$11,545,041 are expected to fully fund planned future repair, replacement, and capital improvement projects, concession repairs, maintenance, replacements and promotions through 2011.

The budget appears to be reasonable given the current operating position of the MSFC.

Concessions Receipts "2009"

The Commission owns the concessions in the Metrodome and has a concession services agreement with Centerplate to operate the concessions. Centerplate receives 5% of the net concessions operating profit and the Commission receives the remaining 95%. The Commission distributes a portion of the net operating profits to the major tenants based upon the terms of the individual use agreements.

Facilities Cost Credit "2009"

In 1998 the Commission created the facilities cost credit to assist the major tenants in enhancing team revenues and/or reducing event day cost of operations in the Metrodome. Since 1999 the Commission has issued a payment to the Minnesota Twins that is equal to the admission tax for their events in the Metrodome. At the request of the Minnesota Vikings, the Commission waived the required rent payment in lieu of the facilities cost credit. Although the facilities cost credit may not exceed the admission tax amount for each team's events, the tax is not waived or pledged to the teams.
