Proposed Action

That the Metropolitan Council adopt a resolution, required by Minnesota Housing, to authorize the Regional Administrator to execute continuation of a grant agreement with Minnesota Housing for the Rental Assistance in Anoka County (RAAC) program.

Background

The Council, in partnership with Anoka County, has administered the RAAC Program since 2002. The RAAC program provides rental assistance to Anoka County families receiving Minnesota Family Investment Program (MFIP) funds. Program participants must be compliant with their MFIP employment and self-sufficiency obligations. The program promotes the attainment of economic self-sufficiency through the provision of the rent subsidy. Eligible families receive a maximum monthly subsidy of \$400.

The current grant period will expire on September 30, 2012. Funding awarded in the previous year was \$268,000 to support approximately 54 families. The renewal funding will provide rent subsidies to continue to support approximately 54 participating RAAC households from October 1, 2012 through September 30, 2013.

Rationale

Minnesota Housing requires a Council resolution at the time of funding renewal.

Funding

The total grant awarded for continued funding of the RAAC Program is \$270,000 for the period October 1, 2012 through September 30, 2013.

Known Support / Opposition

There is no known support or opposition to this resolution.
