

E Environment Committee

Meeting date: August 28, 2007

For the Metropolitan Council Meeting of September 12, 2007

ADVISORY INFORMATION

Date: August 22, 2007
Subject: Authorization to Award and Execute a Contract for the Construction of the Dayton-Champlin Interceptor Lift Station L-76, MCES Project No. 801020
District(s), Member(s): District 1, Roger Scherer
Policy/Legal Reference: Council Policy 3-3 – Expenditures
Staff Prepared/Presented: Bryce Pickart 651-602-1091
Division/Department: c/o William G. Moore, 651-602-1162

Proposed Action/Motion

That the Metropolitan Council authorize its Regional Administrator to award and execute a construction contract with Lametti & Sons, Inc. for construction of the Dayton-Champlin Interceptor Lift Station L-76 in the amount of \$1,819,700.00.

Issue(s)

- Award of construction contracts exceeding \$1,000,000 requires Council approval.

Overview and Funding

The Dayton-Champlin Interceptor Lift Station L-76 is the final component of the Dayton-Champlin Interceptor Extension. The Dayton-Champlin Extension is comprised of 3 projects: Gravity Part A, Gravity Part B and Lift Station L-76. It will provide interceptor service to northern Dayton in accordance with their Comprehensive Sewer Plan. The Part A and Part B gravity interceptor projects are already under construction in coordination with City of Champlin street and utility work. Completion of Lift Station L-76 is scheduled for late 2008.

A formal Invitation for Bids (IFB) was advertised and issued for the Lift Station L-76 construction contract. Six bids were received on August 21, 2007, ranging in amount from \$1,819,700.00 to \$2,375,000.00. Lametti & Sons, Inc. submitted the lowest responsive, responsible bid.

The low bid was 17.3% below the engineer's estimate of \$2,199,900.

BUDGET INFORMATION

Annual or Capital	Year Project Approved	Estimated Project Cost	Current Auth.	Unencumbered Funds	Requested Amount
Capital	2001	\$2,597,000	\$14,000,000	\$2,964,000	\$1,819,700
