RESOLUTION AUTHORIZING ISSUANCE, AWARDED SALE, PRESCRIBING THE FORM AND DETAILS AND PROVIDING FOR THE PAYMENT OF \$7,265,000 REFUNDING REVENUE BONDS (PUBLIC SAFETY RADIO COMMUNICATIONS SYSTEM PROJECT), SERIES 2007D

BE IT RESOLVED by the Metropolitan Council (the Council or the Issuer), as follows:

SECTION 1. AUTHORIZATION AND SALE.

1.1. Authorization. This Council, by its Resolution No. 2006-__ adopted December 13, 2006, authorized the issuance and sale of issue its Revenue Refunding Bonds, Series 2007D, in the approximate principal amount of \$9,000,000 (the Bonds), to refund on April 15, 2007 the 2007 through 2015 maturities of the Issuer's outstanding Revenue Bonds (Metropolitan Radio Board), Series 1999C, dated November 1, 1999 (the Refunded Bonds). The issuance of the Bonds to prepay the Refunded Bonds will result in a reduction of interest cost and of total debt service on the indebtedness represented by the Refunded Bonds and, therefore, is necessary and in the best interests of the Council.

1.2. Sale. The Council's financial advisor, Public Financial Management, Inc., has solicited proposals for the purchase of the Bonds. Pursuant to the Request for Proposals, sealed proposals for the purchase of the Bonds were received at or before the time specified for receipt of proposals. The proposals have been opened, publicly read and verified by the Council's Chief Financial Officer. The Council determines that the most favorable proposal received is that of PNC Capital Markets, in Philadelphia, Pennsylvania, and associates (the Purchaser), to purchase the Bonds at a price of \$7,425,043.72, plus accrued interest on all Bonds to the day of delivery and payment, on the further terms and conditions hereinafter set forth. The sale of the Bonds is awarded to the Purchaser, and the Chair and Chief Financial Officer are authorized to enter into a contract for the sale of the Bonds.

1.3. Issuance of Bonds. All acts, conditions and things which are required by the constitution and laws of the State of Minnesota to be done, to exist, to happen and to be performed precedent to and in the valid issuance of the Bonds having been done, existing, having happened and having been performed, it is now necessary for the Council to establish the form and terms of the Bonds, to provide security therefor and to provide for the issuance of the bonds forthwith.

SECTION 2. BOND TERMS; REGISTRATION; EXECUTION AND DELIVERY.

2.1. Maturities; Interest Rates; Denominations and Payment. The Bonds shall be originally dated as of March 15, 2007, shall be in the denomination of \$5,000 each, or any integral multiple thereof, shall mature on February 1 in the respective years and amounts stated below, and shall bear interest from date of issue until paid or duly called for redemption at the respective annual rates set forth opposite such years and amounts, as follows:

<u>Year</u>	<u>Amount</u>	<u>Rate</u>	<u>Year</u>	<u>Amount</u>	<u>Rate</u>
2008	\$1,030,000	4.25%	2011	\$1,245,000	5.00%
2009	1,135,000	4.25%	2012	1,305,000	4.00%
2010	1,185,000	5.00%	2013	1,365,000	4.00%

The Bonds shall be issuable only in fully registered form. The interest thereon and, upon surrender of each Bond, the principal amount thereof shall be payable by check or draft issued by the Registrar described herein; provided that, so long as the Bonds are registered in the name of a securities depository, or a nominee thereof, in accordance with Section 2.6 hereof, principal and interest shall be payable in accordance with the operational arrangements of the securities depository.

2.2. Dates and Interest Payment Dates. Upon initial delivery of the Bonds pursuant to Section 2.7 hereof, and upon any subsequent transfer or exchange pursuant to Section 2.5 hereof, the date of authentication shall be noted on each Bond so delivered, exchanged or transferred. Interest on the Bonds shall be payable on February 1 and August 1 in each year, commencing August 1, 2007, to the owner of record thereof as of the close of business on the fifteenth day of the immediately preceding month, whether or not such day is a business day.

2.3. Redemption. The Bonds will not be subject to redemption and prepayment prior to their stated maturity.

2.4. Appointment of Initial Registrar. The Issuer hereby appoints the Chief Financial Officer, Metropolitan Council, in St. Paul, Minnesota, as the initial bond registrar, transfer agent and paying agent (the Registrar). The Issuer reserves the right to change the Registrar upon thirty (30) days notice and upon the appointment of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Bonds in its possession to the successor Registrar and shall deliver the bond register to the successor Registrar.

2.5. Registration. The effect of registration and the rights and duties of the Issuer and the Registrar with respect thereto shall be as follows:

(a) Register. The Registrar shall keep at its office a bond register in which the Registrar shall provide for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged.

(b) Transfer of Bonds. Upon surrender for transfer of any Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the last day of the month preceding each interest payment date and until such interest payment date.

(c) Exchange of Bonds. Whenever any Bonds are surrendered by the registered owner for exchange the Registrar shall authenticate and deliver one or more new Bonds of a like aggregate principal amount and maturity, as requested by the registered owner or the owner's attorney in writing.

(d) Cancellation. All Bonds surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the Issuer.

(e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The Issuer and the Registrar may treat the person in whose name any Bond is at any time registered in the bond register as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer or exchange of Bonds, the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that such Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the Issuer and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the Issuer. If the mutilated, destroyed, stolen or lost Bond has already matured or been called for redemption in accordance with its terms it shall not be necessary to issue a new Bond prior to payment.

(i) Authenticating Agent. The Registrar is hereby designated authenticating agent for the Bonds, within the meaning of Minnesota Statutes, Section 475.55, subdivision 1, as amended.

2.6. Securities Depository. For purposes of this section the following terms shall have the following meanings:

“Beneficial Owner” shall mean, whenever used with respect to a Bond, the person in whose name such Bond is recorded as the beneficial owner of such Bond by a Participant on the records of such Participant, or such person’s subrogee.

“Cede & Co.” shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Bonds.

“DTC” shall mean The Depository Trust Company of New York, New York.

“Participant” shall mean any broker-dealer, bank or other financial institution for which DTC holds Bonds as securities depository.

“Representation Letter” shall mean the Representation Letter pursuant to which the sender agrees to comply with DTC’s Operational Arrangements.

(b) The Bonds shall be initially issued as separately authenticated fully registered bonds, and one Bond shall be issued in the principal amount of each stated maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the bond register in the name of Cede & Co., as nominee of DTC. The Registrar and the Issuer may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to registered owners of Bonds under this resolution, registering the transfer of Bonds, and for all other purposes whatsoever; and neither the Registrar nor the Issuer shall be affected by any notice to the contrary. Neither the Registrar nor the Issuer shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the bond register as being a registered owner of any Bonds, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or any Participant of any amount with respect to the principal of or interest on the Bonds, with respect to any notice which is permitted or required to be given to owners of Bonds under this resolution, with respect to the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds, or with respect to any consent given or other action taken by DTC as registered owner of the Bonds. So long as any Bond is registered in the name of Cede & Co., as nominee of DTC, the Registrar shall pay all principal of and interest on such Bond, and shall give all notices with respect to such Bond, only to Cede & Co. in accordance with DTC’s Operational Arrangements, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer’s obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than DTC shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the Issuer to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Bonds will be transferable to such new nominee in accordance with paragraph (e) hereof.

(c) In the event the Issuer determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bonds in the form of bond certificates, the Issuer may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Bonds in the form of certificates. In such event, the Bonds will be transferable in accordance with paragraph (e) hereof. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the Issuer and the Registrar and discharging its responsibilities with respect thereto under applicable law. In such event the Bonds will be transferable in accordance with paragraph (e) hereof.

(d) The execution and delivery of the Representation Letter to DTC, if not previously filed with DTC, by the Chair or Treasurer is hereby authorized and directed.

(e) In the event that any transfer or exchange of Bonds is permitted under paragraph (b) or (c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of this resolution. In the event Bonds in the form of certificates are issued to owners other than Cede & Co., its successor as nominee for DTC as owner of all the Bonds, or another securities depository as owner of all the Bonds, the provisions of this resolution shall also apply to all matters relating thereto, including, without limitation, the printing of such Bonds in the form of bond certificates and the method of payment of principal of and interest on such Bonds in the form of bond certificates.

2.7. Execution, Authentication and Delivery. The Bonds shall be prepared under the direction of the Secretary and shall be executed on behalf of the Issuer by the signatures of the Chair, Treasurer or Secretary, provided that the signatures may be printed, engraved or lithographed facsimiles of the originals. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until a certificate of authentication on the Bond has been duly executed by the manual signature of the Registrar. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this Resolution. When the Bonds have been prepared, executed and authenticated, the Secretary shall deliver them to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore executed, and the Purchaser shall not be obligated to see to the application of the purchase price.

2.8. Form of Bonds. The Bonds shall be prepared in substantially the following form:

The interest so payable on any Interest Payment Date shall be paid to the person in whose name this Obligation is registered at the close of business on the fifteenth day (whether or not a business day) of the calendar month next preceding such Interest Payment Date. Interest hereon shall be computed on the basis of a 360-day year composed of twelve 30-day months. The interest hereon and, upon presentation and surrender hereof, the principal hereof are payable in lawful money of the United States of America by check or draft by the Chief Financial Officer, Metropolitan Council, Minnesota, as Registrar and Paying Agent, or its designated successor under the Resolution described herein (the Registrar).

This Bond is one of an issue in the aggregate principal amount of \$7,265,000, issued pursuant to a resolution adopted by the Issuer on February 28, 2007 (the Resolution), to refund the Issuer's outstanding revenue bonds originally issued to provide money to the former Metropolitan Radio Board for the first phase of a region-wide public safety radio communications system (the System), is issued in full conformity with the Constitution and laws of the State of Minnesota, including Minnesota Statutes, Chapter 475 and Section 403.27. The principal hereof and interest hereon are payable from revenues derived from the emergency telephone service fee imposed under Minnesota Statutes Section 403.11, and allocated to the Issuer under Minnesota Statutes, Section 403.30; if the collections of the emergency telephone service fee are insufficient for this purpose, the Statewide Radio Board, as successor to the Metropolitan Radio Board, will include the deficiency in its charges to eligible users of the System under Minnesota Statutes, Section 403.31, and if any local government which is a user of

the System fails to pay such charges when due, the Issuer will cause the amount of such charges to be levied as an ad valorem tax levy on all taxable property within such local government. The Bonds are issuable only in fully registered form, in denominations of \$5,000 or any integral multiple thereof, of single maturities.

This Bond will not be subject to redemption and prepayment prior to its stated maturity date.

As provided in the Resolution and subject to certain limitations set forth therein, this Bond is transferable upon the books of the Issuer at the principal office of the Registrar, by the registered owner hereof in person or by the owner's attorney duly authorized in writing upon surrender hereof together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or the owner's attorney; and may also be surrendered in exchange for Bonds of other authorized denominations. Upon such transfer or exchange the Issuer will cause a new Bond or Bonds to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange.

The Issuer and the Registrar may deem and treat the person in whose name this Bond is registered as the absolute owner hereof, whether this Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and neither the Issuer nor the Registrar shall be affected by any notice to the contrary.

Notwithstanding any other provisions of this Bond, so long as this Bond is registered in the name of Cede & Co., as nominee of The Depository Trust Company, or in the name of any other nominee of The Depository Trust Company or other securities depository, the Registrar shall pay all principal of and interest on this Bond, and shall give all notices with respect to this Bond, only to Cede & Co. or other nominee in accordance with the operational arrangements of The Depository Trust Company or other securities depository as agreed to by the Issuer.

Issuer will cause to be levied on all taxable property in such local government unit an ad valorem tax levy in an amount equal to such unpaid service charge; that the Issuer will not issue additional bonds payable from the revenues appropriated to the Bond Fund except as set forth in the Resolution, to which reference is hereby made for further details and other covenants and recitals of the Issuer with respect thereto; and that the opinion printed hereon is a full, true and correct copy of the legal opinion given by Bond Counsel with reference to the Bonds, dated as of the date of original delivery of the Bonds.

SECTION 3. USE OF PROCEEDS AND REDEMPTION OF REFUNDED BONDS.

3.1. Deposit of Proceeds. Upon payment for the Bonds by the Purchaser, the Chief Financial Officer shall deposit, with the paying agent for the Refunded Bonds, Bond proceeds received by the Issuer from the Purchaser in such amount as required for redemption and

prepayment of the Refunded Bonds on April 15, 2007, all in accordance with the provisions of the resolution authorizing the issuance of the Refunded Bonds. Bond proceeds in the amount of \$44,000 shall be used to pay costs of issuance (excluding any underwriter's discount), and the remainder of Bond proceeds shall be deposited in the Bond Fund created in Section 4 hereof.

3.2. Redemption of Refunded Bonds. The paying agent for the Refunded Bonds is hereby authorized to call the Refunded Bonds for redemption and prepayment on April 15, 2007, and to give thirty (30) days' mailed Notice of Prepayment, substantially in the form attached hereto, all in accordance with the provisions of the resolution authorizing the issuance of the Refunded Bonds.

SECTION 4. PAYMENT; SECURITY AND COVENANTS.

4.1. Bond Fund. The Issuer will create and continue to maintain a Refunding Revenue Bonds (Public Safety Radio Communications System Project), Series 2007D Bond Fund (Bond Fund), which fund will be used only to pay principal of and interest on the Bonds and any other bonds similarly authorized. There is appropriated to the Bond Fund (i) the amount of Bond proceeds received by the Issuer from the Purchaser in excess of amounts required for redemption and prepayment of the Refunded Bonds and for payment of costs of issuance as provided in Section 3.1 hereof, and (ii) the accrued interest paid by the Purchaser upon closing and delivery of the Bonds. There shall also be deposited to the Bond Fund (a) on an annual basis, not later than the last day of the month for ten months, from the collections of the emergency telephone service fee imposed under Minnesota Statutes, Section 403.11, and transmitted to the Issuer, as requested from the Department of Finance of the State of Minnesota under Minnesota Statutes, Section 403.30, an amount not less than one-tenth of the interest to become due on the Bonds in such year and one-tenth of the principal to become due on the Bonds in such year, provided that the amounts transmitted in January and July of each year shall be equal to the amount necessary, with the amounts then on hand in the Bond Fund, to pay the principal, if any, of and interest on the Bonds due on the immediately succeeding interest payment date; (b) the collections of any Statewide Radio Board charges to eligible users of the System under Minnesota Statutes, Section 403.31, with respect to the Bonds, and (c) the collections of any ad valorem tax levies the Issuer causes to be levied on all taxable property within a local government which fails to pay such charges when due (all of such collections being referred to herein as the Revenues).

4.2. Security and Covenants. The Issuer covenants and agrees with the holders of the Bonds that so long as any of the Bonds remain outstanding and unpaid, it will keep and enforce the following covenants and agreements:

(a) The Issuer will request from the Department of Finance of the State of Minnesota the necessary amounts to provide for payment of the principal of and interest on the Bonds when due in accordance with Minnesota Statutes, Section 403.30. In the event that (i) the amount appropriated to the Commissioner of Finance from the 911 emergency telephone service account for distribution to the Council as provided in Minnesota Statutes, Section 403.30, is less than the amount requested by the Council for the succeeding fiscal year, or (ii) the collections of the emergency telephone service fee transmitted to the Council by the Commissioner of Finance pursuant to Minnesota Statutes, Section 403.30, are in any of the months of August through May of the State

fiscal year less than one-tenth of the amount appropriated for such fiscal year, and (iii) the Council determines that, as a result of either of those events, the amount transmitted to the Council for the fiscal year will be insufficient to pay the principal of and interest on the Bonds to become due, the Issuer will notify the Statewide Radio Board of the deficiency, and request the Statewide Radio Board to include in its charges to users of the System a service charge on all eligible users of the System in an amount sufficient to restore such deficiency. If any local government which is an eligible user fails to pay such service charge when due, the Issuer will cause to be levied on all taxable property in such local government unit an ad valorem tax levy in an amount equal to such unpaid service charge. The Statewide Radio Board has, by resolution, covenanted and agreed to take such actions as necessary to secure the payment of debt service on the Bonds as provided in Minnesota Statutes, Section 403.31. The Issuer will cause all Revenues to be deposited in bank accounts and credited to System accounts as herein above provided, and will make no expenditures from those accounts except for a duly authorized purpose and in accordance with this resolution.

(b) The Issuer will keep and maintain proper and adequate books of records and accounts separate from all other records of the Issuer in which will be complete and correct entries as to all transactions relating to the System and which will be open to inspection and copying by any bondholder, or the bondholders' agent or attorney, at any reasonable time, and it will furnish certified transcripts therefrom upon request and upon payment of a reasonable fee therefor, and said account will be audited (which audit may be made as part of the Issuer's annual audit) at least annually by a qualified public accountant and statements of such audit and report will be furnished to all bondholders upon request.

(c) The Issuer will cause persons handling revenues of the System to be bonded or insured for the protection of the Issuer and the bondholders and will cause the funds collected on account of the System to be deposited and invested as permitted by Minnesota law.

4.3. Annual Review of Revenues. The Council will annually review such documents as it deems necessary to determine that the Revenues to be received within the next succeeding year will be at least sufficient for the requirements of the Bond Fund and will take any and all actions provided for in Section 4.2(a) hereof to ensure that the Revenues shall be sufficient for the purpose. Any taxes levied in accordance with Section 4.2(a) hereof shall upon receipt be paid into the Bond Fund and accounted for as a part of the Revenues.

4.4. Bondholder Consent. No holder of any bond payable from the Bond Fund shall have the right to institute any proceeding, judicial or otherwise, for the enforcement of the covenants contained herein, without the written concurrence of the holders of not less than 25% in aggregate principal amount of all such bonds which are at the time outstanding; but the holders of this amount shall have the right, power and privilege of enforcing, by any action or proceeding at law or in equity, in behalf of the holders of all such bonds then outstanding, the covenants and agreements herein undertaken by the Issuer. Nothing herein shall impair the absolute and unconditional right of each such holder to receive payment of principal and interest as such becomes due, and to institute suit for enforcement of any such payment.

SECTION 5. PRIORITIES AND ADDITIONAL BONDS.

5.1. Priority of Payment. If any money in the Bond Fund should be insufficient to pay all principal and interest due at any time on all Bonds payable therefrom, the money shall be applied to pay the interest then accrued on all such Bonds, and the balance shall be applied in payment of the principal on all such Bonds in order of the maturities of the Bonds then due and pro rata as to Bonds maturing on the same date.

5.2. Refunding. The Issuer may issue additional bonds to refund bonds payable from the Bond Fund in the following circumstances:

(a) The Issuer reserves the privilege of refunding any matured bonds payable from the Bond Fund, for the payment of which funds are not at the time available, by the issuance of refunding revenue bonds payable from that account on a parity as to interest with all such revenue bonds then outstanding, but which shall mature subsequent to the maturity of all such outstanding bonds. Nothing herein shall require any bondholder to accept a refunding bond in exchange for any bond held.

(b) The Issuer may also issue additional bonds to refund outstanding Bonds in advance of their maturity, but only if the debt service on the refunding bonds and any Bonds not refunded thereby, taking into account any escrow accounts established to pay principal of or interest on the refunded bonds or the refunding bonds, is not greater in any year than the debt service on the Bonds would have been if the refunding had not occurred.

5.3. No Additional Parity Bonds. The Issuer covenants and agrees that it will not issue additional bonds payable from the Revenues appropriated to the Bond Fund on a parity as to principal and interest with the Bonds.

5.4. Subordinate Bonds. Except as provided in Sections 5.2, no additional bonds or other obligations will be issued and made payable from the Revenues unless the pledge and appropriation of such Revenues for the payment and security of such obligations is expressly made subordinate to the pledge and appropriation thereof to the Bond Fund. In the event of the issuance of any such obligations, the principal, interest and redemption premiums thereon will be made payable from one or more additional accounts created for that purpose, and the balance of funds at any time on hand in any such account shall be available and shall be transferred whenever needed to meet the current requirements of the Bond Fund.

SECTION 6. DEFEASANCE. When all of the Bonds have been discharged as provided in this section, all pledges, covenants and other rights granted by this resolution to the registered owners of the Bonds shall cease. The Issuer may discharge its obligations with respect to any Bonds which are due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full; or, if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The Issuer may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow,

with a bank qualified by law as an escrow agent for this purpose, cash or securities which are authorized by law to be so deposited, bearing interest payable at such time and at such rates and maturing or callable at the holder's option on such dates as shall be required to pay all principal, interest and redemption premiums to become due thereon to maturity or said redemption date.

SECTION 7. CERTIFICATION OF PROCEEDINGS.

7.1. Registration of Bonds. The Registrar is hereby authorized and directed to file a certified copy of this resolution with the County Auditors of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott and Washington Counties and to obtain from each County Auditor a certificate that the Bonds have been duly entered upon the Auditors' bond register.

7.2. Authentication of Transcript. The officers of the Issuer and County Auditors of the Counties specified in Section 7.1 are hereby authorized and directed to prepare and furnish to the Purchaser and to Dorsey & Whitney LLP, Bond Counsel, certified copies of all proceedings and records relating to the Bonds and such other affidavits, certificates and information as may be required to show the facts relating to the legality and marketability of the Bonds, as the same appear from the books and records in their custody and control or as otherwise known to them, and all such certified copies, affidavits and certificates, including any heretofore furnished, shall be deemed representations of the Issuer as to the correctness of all statements contained therein.

7.3. Official Statement. The Official Statement, dated as of February 21, 2007, and the supplement thereto, relating to the Bonds prepared and distributed by Public Financial Management, Inc., the financial consultant for the Issuer, is hereby approved. Public Financial Management, Inc., is hereby authorized on behalf of the Issuer to prepare and distribute to the Purchaser within seven business days from the date hereof, a supplement to the Official Statement listing the offering price, the interest rates, selling compensation, delivery date, the underwriters and such other information relating to the Bonds required to be included in the Official Statement by Rule 15c2-12 adopted by the Securities and Exchange Commission (the SEC) under the Securities Exchange Act of 1934. The officers of the Issuer are hereby authorized and directed to execute such certificates as may be appropriate concerning the accuracy, completeness and sufficiency of the Official Statement.

SECTION 8. TAX COVENANTS; ARBITRAGE MATTERS AND CONTINUING DISCLOSURE.

8.1. No Designation as Qualified Tax-Exempt Obligations. The Bonds are not designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code.

8.2. General Tax Covenant. The Issuer covenants and agrees with the registered owners of the Bonds that it will not take, or permit to be taken by any of its officers, employees or agents, any action which would cause the interest payable on the Bonds to become subject to taxation under the Internal Revenue Code of 1986, as amended (the Code) and applicable Treasury Regulations (the Regulations), and covenants to take any and all actions within its powers to ensure that the interest on the Bonds will not become includable in gross income of the recipient under the Code and the Regulations. The System will be owned and maintained by a governmental entity so long as the Bonds are outstanding and will be publicly available. The

Issuer will not enter into any lease, use agreement, management agreement or other agreement or contract with any non-governmental person relating to the use of the System which might cause the Bonds to be considered “private activity bonds” or “private loan bonds” pursuant to Section 141 of the Code.

8.3. Arbitrage Certification. The Chair and Treasurer being the officers of the Issuer charged with the responsibility for issuing the Bonds pursuant to this resolution, are authorized and directed to execute and deliver to the Purchaser a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating the facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds which make it reasonable to expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be arbitrage bonds within the meaning of the Code and Regulations.

8.4. Arbitrage Rebate. The Issuer acknowledges that the Bonds are subject to the rebate requirements of Section 148(f) of the Code. The Issuer covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Regulations to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes.

8.5. Continuing Disclosure. (a) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the original purchaser and other participating underwriters in the primary offering of the Bonds to comply with amendments to Rule 15c2-12 promulgated by the SEC under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12), relating to continuing disclosure (as in effect and interpreted from time to time, the Rule), which will enhance the marketability of the Bonds, the Issuer hereby makes the following covenants and agreements for the benefit of the Owners (as hereinafter defined) from time to time of the Outstanding Bonds. The Issuer is the only “obligated person” in respect of the Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made. The Issuer has complied in all material respects with any undertaking previously entered into by it under the Rule. If the Issuer fails to comply with any provisions of this section, any person aggrieved thereby, including the Owners of any Outstanding Bonds, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this section, including an action for a writ of mandamus or specific performance. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder to the extent permitted by law. Notwithstanding anything to the contrary contained herein, in no event shall a default under this section constitute a default under the Bonds or under any other provision of this resolution. As used in this section, “Owner” or “Bondowner” means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any “Beneficial Owner” (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, “Beneficial Owner” means, in respect of a Bond, any person or entity which (i) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Bond (including persons or entities holding Bonds through nominees, depositories or other intermediaries), or (ii) is treated as the owner of the Bond for federal income tax purposes.

(b) Information To Be Disclosed. The Issuer will provide, in the manner set forth in subsection (c) hereof, either directly or indirectly through an agent designated by the Issuer, the following information at the following times:

(1) on or before 270 days after the end of each fiscal year of the Board, commencing with the fiscal year ending December 31, 2006, the following financial information and operating data in respect of the Board (the Disclosure Information):

(A) the audited financial statements of the Board for such fiscal year, accompanied by the audit report and opinion of the accountant or government auditor relating thereto, as permitted or required by the laws of the State of Minnesota, containing balance sheets as of the end of such fiscal year and a statement of operations, changes in fund balances and cash flows for the fiscal year then ended, showing in comparative form such figures for the preceding fiscal year of the Issuer, prepared in accordance with generally accepted accounting principles promulgated by the Governmental Accounting Standards Board or as otherwise provided under Minnesota law, as in effect from time to time, or, if and to the extent such financial statements have not been prepared in accordance with such generally accepted accounting principles for reasons beyond the reasonable control of the Issuer, noting the discrepancies therefrom and the effect thereof, and certified as to accuracy and completeness in all material respects by the fiscal officer of the Issuer; and

(B) to the extent not included in the financial statements referred to in paragraph (A) hereof, the information for such fiscal year or for the period most recently available of the type contained in the Official Statement under the heading[s]: “911 Fee Revenues” including Table 3, and “Radio Revenue Debt” including Tables 4, 5, and 6, which information may be unaudited.

Notwithstanding the foregoing paragraph, if the audited financial statements are not available by the date specified, the Issuer shall provide on or before such date unaudited financial statements in the format required for the audited financial statements as part of the Disclosure Information and, within 10 days after the receipt thereof, the Issuer shall provide the audited financial statements. Any or all of the Disclosure Information may be incorporated by reference, if it is updated as required hereby, from other documents, including official statements, which have been submitted to each of the repositories hereinafter referred to under subsection (b) or the SEC. If the document incorporated by reference is a final official statement, it must be available from the Municipal Securities Rulemaking Board. The Issuer shall clearly identify in the Disclosure Information each document so incorporated by reference. If any part of the Disclosure Information can no longer be generated because the operations of the Issuer have materially changed or been discontinued, such Disclosure Information need no longer be provided if the Issuer includes in the Disclosure Information a statement to such effect; provided, however, if such operations have been replaced by other Issuer operations in respect of which data is not included in the Disclosure Information and the Issuer determines that certain specified data regarding such replacement operations would be a Material Fact (as defined in paragraph (3) hereof), then, from and after such

determination, the Disclosure Information shall include such additional specified data regarding the replacement operations. If the Disclosure Information is changed or this section is amended as permitted by this paragraph (b)(1), then the Issuer shall include in the next Disclosure Information to be delivered hereunder, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of financial information or operating data provided.

(2) In a timely manner, notice of the occurrence of any of the following events which is a Material Fact (as hereinafter defined):

- (A) Principal and interest payment delinquencies;
- (B) Non-payment related defaults;
- (C) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (D) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (E) Substitution of credit or liquidity providers, or their failure to perform;
- (F) Adverse tax opinions or events affecting the tax-exempt status of the security;
- (G) Modifications to rights of security holders;
- (H) Bond calls;
- (I) Defeasances;
- (J) Release, substitution, or sale of property securing repayment of the securities; and
- (K) Rating changes.

As used herein, a “Material Fact” is a fact as to which a substantial likelihood exists that a reasonably prudent investor would attach importance thereto in deciding to buy, hold or sell a Bond or, if not disclosed, would significantly alter the total information otherwise available to an investor from the Official Statement, information disclosed hereunder or information generally available to the public. Notwithstanding the foregoing sentence, a “Material Fact” is also an event that would be deemed “material” for purposes of the purchase, holding or sale of a Bond within the meaning of applicable federal securities laws, as interpreted at the time of discovery of the occurrence of the event.

(3) In a timely manner, notice of the occurrence of any of the following events or conditions:

- (A) the failure of the Issuer to provide the Disclosure Information required under paragraph (b)(1) at the time specified thereunder;
- (B) the amendment or supplementing of this section pursuant to subsection (d), together with a copy of such amendment or supplement and any explanation provided by the Issuer under subsection (d)(2);
- (C) the termination of the obligations of the Issuer under this section pursuant to subsection (d);
- (D) any change in the accounting principles pursuant to which the financial statements constituting a portion of the Disclosure Information or the audited

financial statements, if any, furnished pursuant to subsection (b)(2) or (3) are prepared; and

(E) any change in the fiscal year of the Issuer.

(c) Manner of Disclosure. The Issuer agrees to make available the information described in subsection (b) to the following entities by telecopy, overnight delivery, mail or other means, as appropriate:

(1) the information described in paragraphs (1), (2) and (3) of subsection (b), to each then nationally recognized municipal securities information repository under the Rule and to any state information depository then designated or operated by the State of Minnesota as contemplated by the Rule (the State Depository), if any; and

(2) the information described in subsection (b), to any rating agency then maintaining a rating of the Bonds and, at the expense of such Bondowner, to any Bondowner who requests in writing such information, at the time of transmission under paragraphs (1) or (2) of this subsection (c), as the case may be, or, if such information is transmitted with a subsequent time of release, at the time such information is to be released.

(d) Term; Amendments; Interpretation.

(1) The covenants of the Issuer in this section shall remain in effect so long as any Bonds are Outstanding. Notwithstanding the preceding sentence, however, the obligations of the Issuer under this section shall terminate and be without further effect as of any date on which the Issuer delivers to the Registrar an opinion of Bond Counsel to the effect that, because of legislative action or final judicial or administrative actions or proceedings, the failure of the Issuer to comply with the requirements of this section will not cause participating underwriters in the primary offering of the Bonds to be in violation of the Rule or other applicable requirements of the Securities Exchange Act of 1934, as amended, or any statutes or laws successory thereto or amendatory thereof.

(2) This section (and the form and requirements of the Disclosure Information) may be amended or supplemented by the Issuer from time to time, without notice to (except as provided in paragraph (c)(3) hereof) or the consent of the Owners of any Bonds, by a resolution of this Council filed in the office of the recording officer of the Issuer accompanied by an opinion of Bond Counsel, who may rely on certificates of the Issuer and others and the opinion may be subject to customary qualifications, to the effect that: (i) such amendment or supplement (a) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature or status of the Issuer or the type of operations conducted by the Issuer, or (b) is required by, or better complies with, the provisions of paragraph (b)(5) of the Rule; (ii) this section as so amended or supplemented would have complied with the requirements of paragraph (b)(5) of the Rule at the time of the primary offering of the Bonds, giving effect to any change in circumstances applicable under clause (i)(a) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in

effect at the time of the primary offering; and (iii) such amendment or supplement does not materially impair the interests of the Bondowners under the Rule.

If the Disclosure Information is so amended, the Issuer agrees to provide, contemporaneously with the effectiveness of such amendment, an explanation of the reasons for the amendment and the effect, if any, of the change in the type of financial information or operating data being provided hereunder.

(3) This section is entered into to comply with the continuing disclosure provisions of the Rule and should be construed so as to satisfy the requirements of paragraph (b)(5) of the Rule.

SECTION 8. SEVERABILITY. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

SECTION 9. HEADINGS. Headings in this resolution are included for convenience of reference only and are not a part hereof, and shall not limit or define the meaning of any provision hereof.
