Proposed Action

That the Metropolitan Council adopt Resolutions [2010-01](#) and [2010-02](#), authorizing the issuance, sale and award of of general obligation waste water revenue bonds primarily for refunding, and asset acquisition and betterment purposes, and execution of other necessary documents to complete these events.

Background

The Council is issuing waste water bonds for two purposes: (1) refunding of a 1996 loan with the Minnesota Public Facilities Authority (the "PFA") so as to lower interest costs, and (2) new money to finance a portion of the next 12-18 months of costs for asset acquisition and betterment projects included in the Capital Improvement Plan (the "CIP").

Refunding Bonds Background (2010A)

Council policy requires that a debt instrument which is refinanced for the purpose of lowering interest costs must realize a net present value ("NPV") savings of at least 8% of its remaining interest and 3% of combined principal and interest (a.k.a, "debt service). Currently, this refunding is projected to have an NPV of about 50% of interest costs and 6% of debt service (equivalent to more than \$1 million).

In conjunction with the refunding, the Council will be sharing 50% of the debt service savings with PFA. This arrangement is a continuation of a past practice whereby the Council and PFA split refunding savings with each other whenever one of the two entities refunds debt of mutual interest. The PFA has shared such savings with the Council in the past.

New Money Bonds Background (2010B & 2010C)

This resolution authorizes two possible series of bonds in order to achieve the lowest possible financing costs within the repayment objectives of the Council's Environmental Services division. Combined debt repayment will occur over a 20-year span. The Council is expected to benefit by issuing 2010B Build America Bonds (BABs) and the more traditional (2010C) tax exempt bonds. The 2010B BABs bonds will likely have maturities covering the last 10 years of the repayment plans while the 2010C tax exempt bonds will likely cover the first 10 years of maturities. To increase investor appeal, the later maturities (BABs) will be callable whereas the demand for the tax exempts is expected to be strong enough for the Council to forgo the embedded cost of a call feature.

Parameters Resolutions

This action item authorizes staff to award sale of the bonds within specific parameters adopted by the Council as summarized in the below Rationale section. It provides specific up-front information to the Council on expectations for the sale yet provides flexibility in setting the sale date to take advantage of the most advantageous interest rate conditions in the market place. Once the bids have been authorized, staff will return to the Management Committee and Council with agenda "informational" items that report the results of the bond sales.

Note: At the moment, no additional Council bonding is expected in 2010.

Rationale

The parameters established for the bond sales are included in the attached resolutions and their exhibits and appendices. Council staff will keep award of the bonds within the following parameters (next page):

Item	2010A Bonds Refund 1996 PFA Loan	Combined 2010B & 2010C New Money Bonds
Sale Authorization Period	120 days	90 days
Par to Refund	\$17.3 million	n.a.
Maximum Par to be Issued	\$18.0 million	\$45.0 million
Minimum Savings on Loan Debt Service	3.0%	n.a.
Minimum Savings on Loan Interest	8.0%	n.a.
Maximum Shared Savings With PFA	50.0%	n.a.
Maximum (net) True Interest Cost*	n.a. (see savings %)	4.25%*
Type	Tax Exempt	Tax Exempt & Taxable BABs

** For BABs bonds, the gross TIC is reduced by a 35% federal credit (cash rebate), resulting in a net TIC.

Funding--The refunding is being undertaken to lower interest expense on debt. The new money debt is being issued in support of the Council's CIP. All three bond series contain a general obligation pledge but no part of this pledge is expected to be needed during the repayment periods; all of the debt service is expected to be paid from net revenues of the waste water disposal system.

Known Support / Opposition—None.

RESOLUTION TO ISSUE AND SELL \$18,000,000 GENERAL
OBLIGATION WASTE WATER REVENUE REFUNDING
BONDS, SERIES 2010A, FIXING THE FORM AND
SPECIFICATIONS THEREOF, PROVIDING FOR THEIR
EXECUTION AND DELIVERY

BE IT RESOLVED by the Metropolitan Council (the “Council” or the “Issuer”), as

follows:

SECTION 1. AUTHORIZATION AND SALE.

1.1 Authorization and Purpose. This Council hereby authorizes the issuance and sale of its General Obligation Waste Water Revenue Refunding Bonds, Series 2010A, in the approximate principal amount of \$18,000,000 (the “Bonds”), subject to adjustment as provided in the Terms of Proposal referred to in Section 1.2 hereof, pursuant to Minnesota Statutes, Section 473.541, and Chapter 475, to currently refund the outstanding principal balance of the Issuer’s general obligation promissory note issued to the Minnesota Public Facilities Authority pursuant to a Commitment and Loan Agreement dated as of September 1, 1996 (the “Note”). The issuance of the Bonds to refund the Note will result in a reduction of interest cost and of total debt service on a present value basis on the indebtedness represented by the Note and is, therefore, in the best interests of the Council.

1.2 Terms of Bond Sale; Notices. The Council has retained Springsted Incorporated, St. Paul, Minnesota (“Springsted”), as independent financial advisor, and while the Council will set a date and time for receipt of proposals as hereinafter provided, pursuant to Minnesota Statutes, Section 475.60, subdivision 2, paragraph 9, Springsted is hereby authorized to solicit proposals for the Bonds on behalf of the Council on a negotiated basis. The terms of the Bonds and the sale thereof shall be substantially as set forth in the Terms of Proposal attached as Exhibit A hereto, which is hereby approved. The Council hereby determines to sell the Bonds in accordance with the procedures set forth in Exhibit A. The specifications set forth in Exhibit A may be revised by the Chief Financial Officer in consultation with Springsted, provided that the principal amount of Bonds authorized and issued hereunder shall not exceed \$18,000,000. The Council hereby delegates to the Chief Financial Officer, or Chief Financial Officer’s designee, authority to consider the proposals and award the sale not later than 120 days from the date hereof based upon the best proposal, provided that the sale of the Bonds shall result in a present value of savings of: (1) at least 8 percent of the outstanding interest on the Note and (2) at least 3 percent of the outstanding principal of and interest on the Note; and provided further, that an amount not to exceed 50% of such savings may be shared with the Minnesota Public Facilities Authority pursuant to an agreement to be executed by the Chair and Chief Financial Officer.

SECTION 2. BOND TERMS; REGISTRATION; EXECUTION AND DELIVERY.

2.1 Maturities; Interest Rates; Denominations and Payment. The Bonds shall be originally dated as of the date of issuance, shall be in the denomination of \$5,000 each, or any integral multiple thereof, shall mature on February 1 in the respective years and amounts stated

in the Terms of Proposal, and shall bear interest from date of issue until paid at the respective annual rates pursuant to Section 1.2 hereof.

The Bonds shall be issuable only in fully registered form. The interest thereon and, upon surrender of each Bond, the principal amount thereof shall be payable by wire transfer, check or draft issued by the Registrar described herein; provided that, so long as the Bonds are registered in the name of a securities depository, or a nominee thereof, in accordance with paragraph 3 of Exhibit C hereto, principal and interest shall be payable in accordance with the operational arrangements of the securities depository.

2.2 Dates and Interest Payment Dates. Upon initial delivery of the Bonds pursuant to Section 2.6 hereof, and upon any subsequent transfer or exchange pursuant to paragraph 2 of Exhibit C hereto, the date of authentication shall be noted on each Bond so delivered, exchanged or transferred. Interest on the Bonds shall be payable on February 1 and August 1 in each year, commencing [August 1, 2010], to the owner of record thereof as of the close of business on the fifteenth day of the immediately preceding month, whether or not such day is a business day.

2.3 Redemption. Prospective proposers may designate any portion of the principal of the Bonds to be combined within one or more term Bonds subject to mandatory sinking fund redemption. The Bonds are not subject to redemption or prepayment prior to their stated maturities.

2.4 Appointment of Initial Registrar. The Issuer hereby appoints the Chief Financial Officer of the Council, in St. Paul, Minnesota, as the initial bond registrar, transfer agent and paying agent (the "Registrar"). The Issuer reserves the right to change the Registrar upon thirty (30) days notice and upon the appointment of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Bonds in its possession to the successor Registrar and shall deliver the bond register to the successor Registrar.

2.5 Registration. The effect of registration and the rights and duties of the Issuer and the Registrar with respect thereto are set forth in paragraph 2 of Exhibit C hereto.

2.6 Execution, Authentication and Delivery. The Bonds shall be prepared under the direction of the Secretary and shall be executed on behalf of the Issuer by the signatures of the Chair and the Treasurer, provided that the signatures may be printed, engraved or lithographed facsimiles of the originals. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until a certificate of authentication on the Bond has been duly executed by the manual signature of the Registrar. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this Resolution. When the Bonds have been prepared, executed and authenticated, the Secretary shall deliver them to the purchaser (the "Purchaser") upon payment of the purchase price in accordance with the contract of sale heretofore executed, and the purchaser shall not be obligated to see to the application of the purchase price.

2.7 Form of Bonds. The Bonds shall be prepared in substantially the form set forth in paragraph 1 of Exhibit C hereto.

SECTION 3. USE OF PROCEEDS AND REDEMPTION OF NOTE.

3.1 Deposit of Proceeds. Upon payment for the Bonds by the Purchaser, the Chief Financial Officer shall deposit Bond proceeds in an amount sufficient to pay the outstanding principal of and interest on the Note with the registrar for the Note, for redemption and prepayment of the Note on or about February 22, 2010, all in accordance with the provisions of the resolution authorizing the issuance of the Note. Bond proceeds shall also be used to pay costs of issuance of the Bonds, and any remaining Bond proceeds shall be deposited in the Bond Fund created in Section 4 hereof.

3.2 Redemption of Note. The registrar for the Note is hereby authorized to call the Note for redemption and prepayment, and to give notice of redemption in accordance with the provisions of the resolution authorizing the issuance of the Note or as otherwise acceptable to the Minnesota Public Facilities Authority.

SECTION 4. SERIES 2010A WASTE WATER REVENUE REFUNDING BOND FUND; SECURITY AND COVENANTS.

4.1 Bond Fund. The Issuer will create and continue to operate its Waste Water Fund to which will be credited all gross revenues of the waste water disposal system and out of which will be paid all normal and reasonable expenses of current operations of the waste water system. Any balance therein is deemed net revenue and will be transferred, except for funds in a waste water operating reserve and contingency fund, from time to time, to a General Obligation Waste Water Revenue Refunding Bonds, Series 2010A Bond Fund (the "Bond Fund") hereby created, and pro rata to other waste water bond funds similarly authorized, which funds will be used only to pay principal of and interest on the Bonds and any other waste water bonds or indebtedness similarly authorized. There shall also be transferred to the Bond Fund general taxes hereafter levied, if any. There will also be retained in the Bond Fund a sufficient amount to pay principal of and interest on all the Bonds described in the resolution authorizing the sale of the Bonds, and the Secretary must report to the Registrar any current or anticipated deficiency in the Bond Fund of the Issuer.

4.2 Security and Covenants. The Issuer covenants and agrees with the holders, from time to time, of the Bonds, that so long as any of the Bonds remain outstanding and unpaid, it will keep and enforce the following covenants and agreements:

(a) The Issuer will continue to maintain and efficiently operate the waste water system as public utilities and conveniences free from competition of other like utilities to the extent permitted by law and will cause all revenues therefrom to be deposited in bank accounts and credited to the waste water disposal system accounts as herein above provided, and will make no expenditures from those accounts except for a duly authorized purpose and in accordance with this resolution.

(b) The Issuer will also maintain the Bond Fund as a separate account in the Debt Service Funds of the Issuer and will cause money to be credited thereto from time to

time, out of net revenues from the waste water disposal system in sums sufficient to pay principal of and interest on the Bonds when due.

(c) The Issuer will keep and maintain proper and adequate books of records and accounts separate from all other records of the Issuer in which will be complete and correct entries as to all transactions relating to the waste water system and which will be open to inspection and copying by any bondholder, or the bondholders' agent or attorney, at any reasonable time, and it will furnish certified transcripts therefrom upon request and upon payment of a reasonable fee therefor, and said the Issuer's books will be audited at least annually by a qualified public accountant and statements of such audit and report will be furnished to all bondholders upon request.

(d) The Issuer will cause the funds collected on account of the operations of the waste water system to be deposited in a bank whose deposits are guaranteed up to the limits established under the Federal Deposit Insurance Act and where collateral or insurance is provided for deposit in excess of limits specified by the Federal Deposit Insurance Act, which funds may be subsequently invested pursuant to state and federal law.

(e) The Issuer will keep the waste water system insured at all times against loss by fire, tornado and other risks customarily insured against with an insurer or insurers in good standing or by self-insuring, in such amounts as are customary for like plants, to protect the holders, from time to time, of the Bonds and the Issuer from any material loss due to any such casualty and will apply the proceeds of such insurance to make good any such loss.

(f) The Issuer and each and all of its officers will punctually perform all duties with reference to the waste water system as required by law.

(g) The Issuer will impose and collect charges for waste water disposal services at the times and in the amounts required to produce, with other moneys on hand and lawfully available for the purpose, net revenues adequate to pay all principal and interest when due on the Bonds.

(h) The Issuer will levy general ad valorem taxes on all taxable property in the Minneapolis-St. Paul metropolitan area when required to meet any deficiency in net revenues.

SECTION 5. PLEDGE OF TAXING POWERS. It is hereby determined that the estimated collections of net waste water disposal system revenues, together with other available monies designated by the Council for such purposes, will produce at least five percent in excess of the amount needed to meet when due, the principal and interest payments on the Bonds and no tax levy is required at this time. However, the Issuer covenants and agrees that if and to the extent necessary to provide moneys sufficient to pay the principal of and interest on the Bonds when due, it will levy on all taxable property in the Minneapolis-St. Paul metropolitan area comprising the Counties of Anoka, Carver, Dakota (excluding the City of Northfield), Hennepin (excluding the Cities of Hanover and Rockford), Ramsey, Scott (excluding the City of New Prague), and

Washington, a direct, irrevocable ad valorem tax for this purpose, the collections of which shall be deposited in the Bond Fund.

SECTION 6. DEFEASANCE. When all of the Bonds have been discharged as provided in this section, all pledges, covenants and other rights granted by this resolution to the registered owners of the Bonds shall cease. The Issuer may discharge its obligations with respect to any Bonds which are due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full; or, if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The Issuer may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank qualified by law as an escrow agent for this purpose, cash or securities which are authorized by law to be so deposited, bearing interest payable at such time and at such rates and maturing or callable at the holder's option on such dates as shall be required to pay all principal and interest to become due thereon to maturity or said redemption date.

SECTION 7. CERTIFICATION OF PROCEEDINGS.

7.1 Registration of Bonds and Certification as to Tax Levy. The Chief Financial Officer is hereby authorized and directed to file a certified copy of this resolution and such additional certificates as may be required with the County Auditors of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott and Washington Counties and to obtain from each County Auditor a certificate, prepared in substantially the form set forth respectively in Exhibit D hereto, that the Bonds have been duly entered upon the Auditor's bond register and that any tax required for the payment thereof has been levied.

7.2 Authentication of Transcript. The officers of the Issuer and County Auditors of the Counties specified in Section 7.1 are hereby authorized and directed to prepare and furnish to the Purchaser and to Dorsey & Whitney LLP, Bond Counsel, certified copies of all proceedings and records relating to the Bonds and such other affidavits, certificates and information as may be required to show the facts relating to the legality and marketability of the Bonds, as the same appear from the books and records in their custody and control or as otherwise known to them, and all such certified copies, affidavits and certificates, including any heretofore furnished, shall be deemed representations of the Issuer as to the correctness of all statements contained therein.

7.3 Official Statement. The Council staff, in cooperation with Springsted, is hereby authorized and directed to prepare on behalf of the Council an official statement (the "Official Statement") to be distributed to potential purchasers of the Bonds. The Official Statement shall contain the Terms of Proposal for the Bonds, as set forth in Exhibit A hereto, and such other information as shall be deemed advisable and necessary to describe adequately the Council and the security for, and terms and conditions of, the Bonds. The final Official Statement shall be in the form approved by the Chief Financial Officer.

SECTION 8. TAX COVENANTS; ARBITRAGE MATTERS AND CONTINUING DISCLOSURE.

8.1 No Designation as Qualified Tax-Exempt Obligations. The Bonds are not designated as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the “Code”).

8.2 General Tax Covenant. The Issuer covenants and agrees with the registered owners of the Bonds that it will not take, or permit to be taken by any of its officers, employees or agents, any action which would cause the interest payable on the Bonds to become subject to taxation under the Code and applicable Treasury Regulations (the “Regulations”), and covenants to take any and all actions within its powers to ensure that the interest on the Bonds will not become includable in gross income of the recipient under the Code and the Regulations. The Projects financed or refinanced with the proceeds of the Bonds will be owned and maintained by the Issuer so long as the Bonds are outstanding and will be publicly available. The Issuer will not enter into any lease, use agreement, management agreement or other agreement or contract with any non-governmental person relating to the use of the Improvements which might cause the Bonds to be considered “private activity bonds” or “private loan bonds” pursuant to Section 141 of the Code.

8.3 Arbitrage Certification. The Chair and Treasurer, being the officers of the Issuer charged with the responsibility for issuing the Bonds pursuant to this resolution, are authorized and directed to execute and deliver to the purchaser a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating the facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds which make it reasonable to expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be arbitrage bonds within the meaning of the Code and Regulations.

8.4 Arbitrage Rebate. The Issuer acknowledges that the Bonds are subject to the rebate requirements of Section 148(f) of the Code. The Issuer covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Regulations to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes, unless the Bonds qualify for an exception from the rebate requirement pursuant to one of the spending exceptions set forth in Section 1.148-7 of the Regulations and no “gross proceeds” of the Bonds (other than amounts constituting a “bona fide debt service fund”) arise during or after the expenditure of the original proceeds thereof.

8.5 Continuing Disclosure. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the original purchaser and other participating underwriters in the primary offering of the Bonds to comply with amendments to Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12) relating to continuing disclosure (as in effect and interpreted from time to time, the “Rule”), which will enhance the marketability of the Bonds, the Issuer hereby makes the covenants and agreements in Exhibit B hereto for the benefit of the Bondowners (as defined in Exhibit B) from time to time of the outstanding Bonds. The Chief Financial Officer shall have overall responsibility for compliance with the Undertaking of Continuing Disclosure and other similar undertakings hereafter made by the Council under Rule 15c2-12(b)(5), and the Chief Financial Officer shall implement the

dissemination of reports and notices thereunder. Amendments permitted by the undertakings necessitated by a change in circumstances that arises from a change in legal requirements, or change in law may be made by the Chief Financial Officer.

SECTION 9. BOND RATINGS. The Chief Financial Officer is authorized and directed to obtain ratings of the Bonds from up to three nationally recognized credit rating services, to pay the reasonable and customary charges of such rating services, and to take such other action as may be required so that the Bonds may be issued and sold as contemplated hereby.

SECTION 10. SEVERABILITY. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

SECTION 11. HEADINGS. Headings in this resolution are included for convenience of reference only and are not a part hereof, and shall not limit or define the meaning of any provision hereof.

Contemporaneously with such wire transfer, the bidder shall send an e-mail to bond_services@springsted.com, including the following information; (i) indication that a wire transfer has been made, (ii) the amount of the wire transfer, (iii) the issue to which it applies, and (iv) the return wire instructions if such bidder is not awarded the Bonds.

Any Deposit made by the successful bidder by check or wire transfer will be delivered to the Council following the award of the Bonds. Any Deposit made by check or wire transfer by an unsuccessful bidder will be returned to such bidder following Council action relative to an award of the Bonds.

If a **Financial Surety Bond** is used, it must be from an insurance company licensed to issue such a bond in the State of Minnesota and pre-approved by the Council. Such bond must be submitted to Springsted Incorporated prior to the opening of the proposals. The Financial Surety Bond must identify each underwriter whose Deposit is guaranteed by such Financial Surety Bond. If the Bonds are awarded to an underwriter using a Financial Surety Bond, then that underwriter is required to submit its Deposit to the Council in the form of a certified or cashier's check or wire

The Deposit received from the purchaser, the amount of which will be deducted at settlement, will be deposited by the Council and no interest will accrue to the purchaser. In the event the purchaser fails to comply with the accepted proposal, said amount will be retained by the Council.

AWARD

The Bonds will be awarded on the basis of the lowest interest rate to be determined on a true interest cost (TIC) basis. The Council's computation of the interest rate of each proposal, in accordance with customary practice, will be controlling.

The Council will reserve the right to: (i) waive non-substantive informalities of any proposal or of matters relating to the receipt of proposals and award of the Bonds, (ii) reject all proposals without cause, and (iii) reject any proposal that the Council determines to have failed to comply with the terms herein.

CUSIP NUMBERS

If the Bonds qualify for assignment of CUSIP numbers such numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto will constitute cause for failure or refusal by the purchaser to accept delivery of the Bonds. The CUSIP Service Bureau charge for the assignment of CUSIP identification numbers shall be paid by the purchaser.

SETTLEMENT

On or about February 22, 2010, the Bonds will be delivered without cost to the purchaser through DTC in New York, New York. Delivery will be subject to receipt by the purchaser of an approving legal opinion of Dorsey & Whitney LLP of Minneapolis, Minnesota, and of customary closing papers, including a no-litigation certificate. On the date of settlement, payment for the Bonds shall be made in federal, or equivalent, funds that shall be received at the offices of the Council or its designee not later than 12:00 Noon, Central Time. Unless compliance with the terms of payment for the Bonds has been made impossible by action of the Council, or its agents, the purchaser shall be liable to the Council for any loss suffered by the Council by reason of the purchaser's non-compliance with said terms for payment.

CONTINUING DISCLOSURE

In accordance with SEC Rule 15c2-12(b)(5), the Council will undertake, pursuant to the resolution awarding sale of the Bonds, to provide annual reports and notices of certain events. A description of this undertaking is set forth in the Official Statement. The purchaser's obligation to purchase the Bonds will be conditioned upon receiving evidence of this undertaking at or prior to delivery of the Bonds.

OFFICIAL STATEMENT

The Council has authorized the preparation of an Official Statement containing pertinent information relative to the Bonds, and said Official Statement will serve as a nearly final Official Statement within the meaning of Rule 15c2-12 of the Securities and Exchange Commission. For copies of the Official Statement or for any additional information prior to sale, any prospective purchaser is referred to the Financial Advisor to the Council, Springsted Incorporated, 380 Jackson Street, Suite 300, Saint Paul, Minnesota 55101, telephone (651) 223-3000.

The Official Statement, when further supplemented by an addendum or addenda specifying the maturity dates, principal amounts and interest rates of the Bonds, together with any other information required by law, shall constitute a "Final Official Statement" of the Council with respect to the Bonds, as that term is defined in Rule 15c2-12. By awarding the Bonds to any underwriter or underwriting syndicate submitting a proposal therefor, the Council agrees that, no more than seven business days after the date of such award, it shall provide without cost to the senior managing underwriter of the syndicate to which the Bonds are awarded 250 copies of the Official Statement and the addendum or addenda described above. The Council designates the senior managing underwriter of the syndicate to which the Bonds are awarded as its agent for purposes of distributing copies of the Final Official Statement to each Participating Underwriter. Any underwriter delivering a proposal with respect to the Bonds agrees thereby that if its proposal is accepted by the Council (i) it shall accept such designation and (ii) it shall enter into a contractual relationship with all Participating Underwriters of the Bonds for purposes of assuring the receipt by each such Participating Underwriter of the Final Official Statement.

CONTINUING DISCLOSURE UNDERTAKING

(a) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the original purchaser and other participating underwriters in the primary offering of the Bonds to comply with amendments to Rule 15c2-12 promulgated by the Securities and Exchange Commission (the SEC) under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12), relating to continuing disclosure (as in effect and interpreted from time to time, the Rule), which will enhance the marketability of the Bonds, the Issuer hereby makes the following covenants and agreements for the benefit of the Bondowners (as hereinafter defined) from time to time of the outstanding Bonds. The Issuer is the only “obligated person” in respect of the Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made. The Issuer has complied in all material respects with any undertaking previously entered into by it under the Rule. If the Issuer fails to comply with any provisions of this section, any person aggrieved thereby, including the Bondowners of any outstanding Bonds, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this section, including an action for a writ of mandamus or specific performance. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder to the extent permitted by law. Notwithstanding anything to the contrary contained herein, in no event shall a default under this section constitute a default under the Bonds or under any other provision of this resolution. As used in this section, “Owner” or “Bondowner” means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any “Beneficial Owner” (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, “Beneficial Owner” means, in respect of a Bond, any person or entity which (i) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Bond (including persons or entities holding Bonds through nominees, depositories or other intermediaries), or (ii) is treated as the owner of the Bond for federal income tax purposes.

(b) Information To Be Disclosed. The Issuer will provide, in the manner set forth in subsection (c) hereof, either directly or indirectly through an agent designated by the Issuer, the following information at the following times:

(1) on or before 270 days after the end of each fiscal year of the Issuer, commencing with the fiscal year ending December 31, 2009, the following financial information and operating data in respect of the Issuer (the Disclosure Information):

(A) the audited financial statements of the Issuer for such fiscal year, accompanied by the audit report and opinion of the accountant or government auditor relating thereto, as permitted or required by the laws of the State of Minnesota, containing balance sheets as of the end of such fiscal year and a statement of operations, changes in fund balances and cash flows for the fiscal year then ended, showing in comparative form such figures for the preceding fiscal year of the Issuer, prepared in accordance with generally accepted accounting principles promulgated by the Governmental Accounting Standards Board or as otherwise provided under Minnesota law, as in effect

from time to time, or, if and to the extent such financial statements have not been prepared in accordance with such generally accepted accounting principles for reasons beyond the reasonable control of the Issuer, noting the discrepancies therefrom and the effect thereof, and certified as to accuracy and completeness in all material respects by the fiscal officer of the Issuer; and

(B) to the extent not included in the financial statements referred to in paragraph (A) hereof, the information for such fiscal year or for the period most recently available of the type contained in the Official Statement under headings: [**“Indebtedness of the Council and Its Agencies,”** **Council Property Values”** and **“Council Financial Information,”**] which information may be unaudited.

Notwithstanding the foregoing paragraph, if the audited financial statements are not available by the date specified, the Issuer shall provide on or before such date unaudited financial statements in the format required for the audited financial statements as part of the Disclosure Information and, within 10 days after the receipt thereof, the Issuer shall provide the audited financial statements. Any or all of the Disclosure Information may be incorporated by reference, if it is updated as required hereby, from other documents, including official statements, that have been filed with the SEC or have been made available to the public on the Internet Web site of the Municipal Securities Rulemaking Board (MSRB). The Issuer shall clearly identify in the Disclosure Information each document so incorporated by reference. If any part of the Disclosure Information can no longer be generated because the operations of the Issuer have materially changed or been discontinued, such Disclosure Information need no longer be provided if the Issuer includes in the Disclosure Information a statement to such effect; provided, however, if such operations have been replaced by other Issuer operations in respect of which data is not included in the Disclosure Information and the Issuer determines that certain specified data regarding such replacement operations would be a Material Fact (as defined in paragraph (3) hereof), then, from and after such determination, the Disclosure Information shall include such additional specified data regarding the replacement operations. If the Disclosure Information is changed or this section is amended as permitted by this paragraph (b)(1), then the Issuer shall include in the next Disclosure Information to be delivered hereunder, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of financial information or operating data provided.

(2) In a timely manner, notice of the occurrence of any of the following events which is a Material Fact (as hereinafter defined):

- (A) Principal and interest payment delinquencies;
- (B) Non-payment related defaults;
- (C) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (D) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (E) Substitution of credit or liquidity providers, or their failure to perform;

- (F) Adverse tax opinions or events affecting the tax-exempt status of the security;
- (G) Modifications to rights of security holders;
- (H) Bond calls;
- (I) Defeasances;
- (J) Release, substitution, or sale of property securing repayment of the securities; and
- (K) Rating changes.

As used herein, a “Material Fact” is a fact as to which a substantial likelihood exists that a reasonably prudent investor would attach importance thereto in deciding to buy, hold or sell a Bond or, if not disclosed, would significantly alter the total information otherwise available to an investor from the Official Statement, information disclosed hereunder or information generally available to the public. Notwithstanding the foregoing sentence, a “Material Fact” is also an event that would be deemed “material” for purposes of the purchase, holding or sale of a Bond within the meaning of applicable federal securities laws, as interpreted at the time of discovery of the occurrence of the event.

(3) In a timely manner, notice of the occurrence of any of the following events or conditions:

- (A) the failure of the Issuer to provide the Disclosure Information required under paragraph (b)(1) at the time specified thereunder;
- (B) the amendment or supplementing of this section pursuant to subsection (d), together with a copy of such amendment or supplement and any explanation provided by the Issuer under subsection (d)(2);
- (C) the termination of the obligations of the Issuer under this section pursuant to subsection (d);
- (D) any change in the accounting principles pursuant to which the financial statements constituting a portion of the Disclosure Information or the audited financial statements, if any, furnished pursuant to subsection (b)(2) or (3) are prepared; and
- (E) any change in the fiscal year of the Issuer.

(c) Manner of Disclosure.

(1) The Issuer agrees to make available to the MSRB, in an electronic format as prescribed by the MSRB from time to time, the information described in subsection (b).

(2) The Issuer further agrees to make available, by electronic transmission, overnight delivery, mail or other means, as appropriate, the information described in subsection

(b) to any rating agency then maintaining a rating of the Bonds at the request of the Issuer and, at the expense of such Bondowner, to any Bondowner who requests in writing such information, at the time of transmission under paragraph (1) of this subsection (c), or, if such information is transmitted with a subsequent time of release, at the time such information is to be released.

(3) All documents provided to the MSRB pursuant to this subsection (c) shall be accompanied by identifying information as prescribed by the MSRB from time to time.

(d) Term; Amendments; Interpretation.

(1) The covenants of the Issuer in this section shall remain in effect so long as any Bonds are outstanding. Notwithstanding the preceding sentence, however, the obligations of the Issuer under this section shall terminate and be without further effect as of any date on which the Issuer delivers to the Registrar an opinion of Issuer's current Bond Counsel to the effect that, because of legislative action or final judicial or administrative actions or proceedings, the failure of the Issuer to comply with the requirements of this section will not cause participating underwriters in the primary offering of the Bonds to be in violation of the Rule or other applicable requirements of the Securities Exchange Act of 1934, as amended, or any statutes or laws successory thereto or amendatory thereof.

(2) This section (and the form and requirements of the Disclosure Information) may be amended or supplemented by the Issuer from time to time, without notice to (except as provided in paragraph (c)(3) hereof) or the consent of the Bondowners of any Bonds, by a resolution of this Council filed in the office of the recording officer of the Issuer accompanied by an opinion of Issuer's current Bond Counsel, who may rely on certificates of the Issuer and others and the opinion may be subject to customary qualifications, to the effect that: (i) such amendment or supplement (a) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature or status of the Issuer or the type of operations conducted by the Issuer, or (b) is required by, or better complies with, the provisions of paragraph (b)(5) of the Rule; (ii) this section as so amended or supplemented would have complied with the requirements of paragraph (b)(5) of the Rule at the time of the primary offering of the Bonds, giving effect to any change in circumstances applicable under clause (i)(a) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in effect at the time of the primary offering; and (iii) such amendment or supplement does not materially impair the interests of the Bondowners under the Rule.

If the Disclosure Information is so amended, the Issuer agrees to provide, contemporaneously with the effectiveness of such amendment, an explanation of the reasons for the amendment and the effect, if any, of the change in the type of financial information or operating data being provided hereunder.

(3) This section is entered into to comply with the continuing disclosure provisions of the Rule and should be construed so as to satisfy the requirements of paragraph (b)(5) of the Rule.

2. Registration. The effect of registration and the rights and duties of the Issuer and the Registrar with respect thereto are as follows:

(a) Register. The Registrar shall keep at its office a bond register in which the Registrar shall provide for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged.

(b) Transfer of Bonds. Upon surrender for transfer of any Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the fifteenth day of the month preceding each interest payment date and until such interest payment date.

(c) Exchange of Bonds. Whenever any Bonds are surrendered by the registered owner for exchange the Registrar shall authenticate and deliver one or more new Bonds of a like aggregate principal amount and maturity, as requested by the registered owner or the owner's attorney in writing.

(d) Cancellation. All Bonds surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the Issuer.

(e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The Issuer and the Registrar may treat the person in whose name any Bond is at any time registered in the bond register as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer or exchange of Bonds, the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for

any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that such Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the Issuer and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the Issuer. If the mutilated, destroyed, stolen or lost Bond has already matured or been called for redemption in accordance with its terms it shall not be necessary to issue a new Bond prior to payment.

(i) Authenticating Agent. The Registrar is hereby designated authenticating agent for the Bonds, within the meaning of Minnesota Statutes, Section 475.55, Subdivision 1, as amended.

3. (a) Securities Depository. For purposes of this paragraph 3, the following terms shall have the following meanings:

“Beneficial Owner” shall mean, whenever used with respect to a Bond, the person in whose name such Bond is recorded as the beneficial owner of such Bond by a Participant on the records of such Participant, or such person’s subrogee.

“Cede & Co.” shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Bonds.

“DTC” shall mean The Depository Trust Company of New York, New York.

“Participant” shall mean any broker-dealer, bank or other financial institution for which DTC holds Bonds as securities depository.

“Representation Letter” shall mean the Representation Letter pursuant to which the sender agrees to comply with DTC’s Operational Arrangements.

(b) The Bonds shall be initially issued as separately authenticated fully registered bonds, and one Bond shall be issued in the principal amount of each stated maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the bond register in the name of Cede & Co., as nominee of DTC. The Registrar and the Issuer may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to registered owners of Bonds under the Resolution, registering the transfer of Bonds, and for all other purposes whatsoever; and neither the Registrar nor the Issuer shall be affected by any notice to

the contrary. Neither the Registrar nor the Issuer shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the bond register as being a registered owner of any Bonds, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or any Participant of any amount with respect to the principal of or interest on the Bonds, with respect to any notice which is permitted or required to be given to owners of Bonds under the Resolution, with respect to the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds, or with respect to any consent given or other action taken by DTC as registered owner of the Bonds. So long as any Bond is registered in the name of Cede & Co., as nominee of DTC, the Registrar shall pay all principal of and interest on such Bond, and shall give all notices with respect to such Bond, only to Cede & Co. in accordance with DTC's Operational Arrangements, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than DTC shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the Issuer to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Bonds will be transferable to such new nominee in accordance with paragraph (e) hereof.

(c) In the event the Issuer determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bonds in the form of bond certificates, the Issuer may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Bonds in the form of certificates. In such event, the Bonds will be transferable in accordance with paragraph (e) hereof. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the Issuer and the Registrar and discharging its responsibilities with respect thereto under applicable law. In such event the Bonds will be transferable in accordance with paragraph (e) hereof.

(d) The execution and delivery of the Representation Letter to DTC, if not previously filed with DTC, by the Chair or Treasurer is hereby authorized and directed.

(e) In the event that any transfer or exchange of Bonds is permitted under paragraph (b) or (c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of the Resolution. In the event Bonds in the form of certificates are issued to owners other than Cede & Co., its successor as nominee for DTC as owner of all the Bonds, or another securities depository as owner of all the Bonds, the provisions of the Resolution shall also apply to all matters relating thereto, including, without limitation, the printing of such Bonds in the form of bond certificates and the method of payment of principal of and interest on such Bonds in the form of bond certificates.

OBLIGATION WASTE WATER REVENUE BONDS,
SERIES 2010B AND SERIES 2010C, FIXING THE FORM AND
SPECIFICATIONS THEREOF, PROVIDING FOR THEIR
EXECUTION AND DELIVERY

BE IT RESOLVED by the Metropolitan Council (the “Council” or the “Issuer”), as follows:

SECTION 1. AUTHORIZATION AND SALE.

1.1 Authorization and Purpose. This Council determines that it is necessary to sell and issue its Taxable General Obligation Waste Water Revenue Bonds, Series 2010B (Build America Bonds – Direct Pay) (the “Series 2010B Bonds”) and its General Obligation Waste Water Revenue Bonds, Series 2010C (the “Series 2010C Bonds” and, together with the Series 2010B Bonds, the “Bonds”), in the approximate aggregate principal amount of \$45,000,000, subject to adjustment as provided in the Terms of Proposal referred to in Section 1.3 hereof, pursuant to Minnesota Statutes, Section 473.541 and Chapter 475, to provide financing for the acquisition and betterment of interceptors and treatment works for the metropolitan waste water disposal system.

1.2 Build America Bonds Designation. The Council hereby authorizes the Chief Financial Officer to irrevocably designate the Series 2010B Bonds as “Build America Bonds,” and irrevocably elect to have Section 54AA(g) of the Internal Revenue Code of 1986, as amended (the “Code”), apply to the Series 2010B Bonds, with the result that the Council shall be entitled to the credit provided in Section 6431 of the Code.

In the event the Council, through the Chief Financial Officer, pursuant to Section 1.3 of this Resolution, determines that it is not in the best interest of the Council to issue and sell any series of the Bonds, or determines pursuant to authority of any other Council resolution not to issue another series of bonds authorized, the Chief Financial Officer may re-designate the series of Bonds authorized hereby as “[Taxable] General Obligation Waste Water Revenue Bonds, Series 2010_,” completing the blank with an uppercase letter as appropriate for the order of such issuance and to eliminate any gaps in the designation of such series caused by the determination not to issue and sell any series of bonds.

1.3 Terms of Bond Sale; Notices. The Council has retained Springsted Incorporated, St. Paul, Minnesota (“Springsted”) as independent financial advisor, and while the Council will set a date and time for receipt of proposals as hereinafter provided, pursuant to Minnesota Statutes, Section 475.60, subdivision 2, paragraph 9, Springsted is hereby authorized to solicit proposals for the Bonds on behalf of the Council on a negotiated basis. The terms of the Bonds and the sale thereof shall be substantially as set forth in the Terms of Proposal attached as Exhibit A-1 and Exhibit A-2 hereto, which are hereby approved. The Council hereby determines to sell the Bonds in accordance with the procedures set forth in Exhibit A-1 and Exhibit A-2. The specifications set forth in Exhibit A-1 and Exhibit A-2 may be revised by the Chief Financial Officer in consultation with Springsted, provided that the principal amount of Bonds

authorized and issued hereunder, in one or more series, shall not exceed \$45,000,000. The Council hereby delegates to the Chief Financial Officer, or the Chief Financial Officer's designee, authority to consider the proposals and award the sale not later than 90 days from the date hereof based upon the best proposal, provided that the true interest cost of the Bonds shall not exceed a net rate of 4.25% per annum (treating the credit available to the Council from the Series 2010B Bonds as a reduction in each interest payment).

SECTION 2. BOND TERMS; REGISTRATION; EXECUTION AND DELIVERY.

2.1 Maturities; Interest Rates; Denominations and Payment. Each series of Bonds shall be originally dated as of the date of issuance, shall be in the denomination of \$5,000 each, or any integral multiple thereof, shall mature on February 1 in the respective years and amounts stated in the respective Terms of Proposal, and shall bear interest from date of issue until paid at the respective annual rates pursuant to Section 1.3 hereof.

Each series of Bonds shall be issuable only in fully registered form. The interest thereon and, upon surrender of each Bond of any series, the principal amount thereof shall be payable by wire transfer, check or draft issued by the Registrar described herein; provided that, so long as the Bonds are registered in the name of a securities depository, or a nominee thereof, in accordance with paragraph 3 of Exhibit C hereto, principal and interest shall be payable in accordance with the operational arrangements of the securities depository.

2.2 Dates and Interest Payment Dates. Upon initial delivery of a series of Bonds pursuant to Section 2.6 hereof, and upon any subsequent transfer or exchange pursuant to paragraph 2 of Exhibit C hereto, the date of authentication shall be noted on each Bond so delivered, exchanged or transferred. Interest on each series of Bonds shall be payable on February 1 and August 1 in each year, commencing [August 1, 2010], to the owner of record thereof as of the close of business on the fifteenth day of the immediately preceding month, whether or not such day is a business day.

2.3 Redemption. The Chief Financial Officer may permit prospective proposers to designate any portion of the principal of a series of Bonds to be combined within one or more term Bonds of such series subject to mandatory sinking fund redemption.

The Series 2010B Bonds shall be subject to redemption and payment prior to maturity at the option of the Council in such order of maturity as the Council may determine on the dates, at the prices, and for the maturities as provided in Exhibit A-1 hereto. The Series 2010B Bonds are subject to extraordinary redemption, at a price of par plus accrued interest to the date of redemption, at the option of the Council based on a Determination of Ineligibility (as hereinafter defined) or a failure by the U.S. Treasury to pay the credit provided in Section 6431 of the Code. "Determination of Ineligibility" means, with respect to the Series 2010B Bonds: (a) the enactment of legislation or the adoption of final regulations or a final decision, ruling or technical advice by any federal judicial or administrative authority, which would have the effect of rendering the Series 2010B Bonds as not qualifying for treatment as a qualified Build America Bond under Section 54AA of the Code; or (b) the receipt by the Council of a written opinion of nationally recognized bond counsel to the effect that the Series 2010B Bonds are not qualified Build America Bonds under Section 54AA of the Code. Thirty (30) days mailed notice of any

such redemption shall be given to the registered owners of the series of Bonds to be redeemed pursuant to Minnesota Statutes, Chapter 475.

The Series 2010C Bonds are not subject to redemption and prepayment prior to their stated maturity.

2.4 Appointment of Initial Registrar. The Issuer hereby appoints the Chief Financial Officer of the Council, in St. Paul, Minnesota, as the initial bond registrar, transfer agent and paying agent (the “Registrar”). The Issuer reserves the right to change the Registrar upon thirty (30) days notice and upon the appointment of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Bonds in its possession to the successor Registrar and shall deliver the bond register to the successor Registrar.

2.5 Registration. The effect of registration and the rights and duties of the Issuer and the Registrar with respect thereto are set forth in paragraph 2 of Exhibit C hereto.

2.6 Execution, Authentication and Delivery. The Bonds shall be prepared under the direction of the Secretary and shall be executed on behalf of the Issuer by the signatures of the Chair and the Treasurer, provided that the signatures may be printed, engraved or lithographed facsimiles of the originals. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until a certificate of authentication on the Bond has been duly executed by the manual signature of the Registrar. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this Resolution. When each series of Bonds has been prepared, executed and authenticated, the Secretary shall deliver such series to the purchaser (a “Purchaser”) upon payment of the purchase price in accordance with the contract of sale hereinafter executed therefor, and such Purchaser shall not be obligated to see to the application of the purchase price.

2.7 Form of Bonds. The Bonds shall be prepared in substantially the forms set forth in paragraphs 1 and 2 of Exhibit C hereto.

SECTION 3. PAYMENT, SECURITY AND COVENANTS.

3.1. (a) The Issuer will create and continue to operate its Waste Water Fund to which will be credited all gross revenues of the waste water disposal system and out of which will be paid all normal and reasonable expenses of current operations of the waste water disposal system. Any balance therein is deemed net revenue and will be transferred pro rata, except for funds in a waste water operating reserve and contingency fund, from time to time, to a General Obligation Waste Water Revenue Bonds, Series 2010B Bond Fund (the “Series 2010B Bond Fund”) and a General Obligation Waste Water Revenue Bonds, Series 2010C Bond Fund (the “Series 2010C Bond Fund”) hereby created, and to other waste water bond funds similarly authorized, which funds will be used only to pay principal of and interest on the Bonds and any other bonds similarly authorized. There shall also be transferred to the Series 2010B Bond Fund

and the Series 2010C Bond Fund general taxes hereafter levied. There will also be retained in the Series 2010B Bond Fund and the Series 2010C Bond Fund a sufficient amount to pay principal of and interest on the respective Bonds, and the Secretary must report any current or anticipated deficiency in either the Series 2010B Bond Fund or the Series 2010C Bond Fund of the Issuer to the Registrar. There is hereby appropriated and shall be paid to the Series 2010B Bond Fund and the Series 2010C Bond Fund accrued interest received from the respective Purchasers of the Bonds.

(b) Upon payment for the Series 2010B Bonds by the Purchaser, the Chief Financial Officer shall credit the remaining proceeds of the Series 2010B Bonds, together with any other funds appropriated during the construction of the projects financed by the Series 2010B Bonds (the “2010B Projects”), to a separate construction fund (the “Series 2010B Bond Construction Fund”) to be used solely to defray expenses of the 2010B Projects and the payment of principal and interest on the Series 2010B Bonds prior to the completion and payment of all costs of the 2010B Projects. Upon payment for the Series 2010C Bonds by the Purchaser, the Chief Financial Officer shall credit the remaining proceeds of the Series 2010C Bonds, together with any other funds appropriated during the construction of the projects financed by the Series 2010C Bonds (the “2010C Projects”), to a separate construction fund (the “Series 2010C Bond Construction Fund”) to be used solely to defray expenses of the 2010C Projects and the payment of principal and interest on the Series 2010C Bonds prior to the completion and payment of all costs of the 2010C Projects. When the 2010B Projects are completed and the cost thereof paid, the Series 2010B Bond Construction Fund is to be closed and any balance therein is to be deposited in the Series 2010B Bond Fund. When the 2010C Projects are completed and the cost thereof paid, the Series 2010C Bond Construction Fund is to be closed and any balance therein is to be deposited in the Series 2010C Bond Fund.

3.2. The Issuer covenants and agrees with the holders, from time to time, of each series of Bonds that so long as any of the Bonds of such series remain outstanding and unpaid, it will keep and enforce the following covenants and agreements:

(a) The Issuer will continue to maintain and efficiently operate the waste water disposal system as public utilities and conveniences free from competition of other like utilities to the extent permitted by law and will cause all revenues therefrom to be deposited in bank accounts and credited to the waste water disposal system accounts as herein above provided, and will make no expenditures from those accounts except for a duly authorized purpose and in accordance with this resolution.

(b) The Issuer will maintain the respective bond funds as separate accounts in the Debt Service Funds of the Issuer and will cause money to be credited thereto from time to time, out of net revenues from the waste water disposal system in sums sufficient to pay principal of and interest on the respective Bonds when due.

(c) The Issuer will keep and maintain proper and adequate books of records and accounts separate from all other records of the Issuer in which will be complete and correct entries as to all transactions relating to the waste water disposal system and which will be open to inspection and copying by any bondholder, or the bondholders’ agent or attorney, at any reasonable time, and it will furnish certified transcripts therefrom upon request and upon

payment of a reasonable fee therefor, and said Issuer's books will be audited at least annually by a qualified public accountant and statements of such audit and report will be furnished to all bondholders upon request.

(d) The Issuer will cause the funds collected on account of the operations of the waste water disposal system to be deposited in a bank whose deposits are guaranteed up to the limits established under the Federal Deposit Insurance law and where collateral or insurance is provided for deposits in excess of limits specified by the Federal Deposit Insurance Act, which funds may be subsequently invested pursuant to state law and federal law.

(e) The Issuer will keep the waste water disposal system insured at all times against loss by fire, tornado and other risks customarily insured against with an insurer or insurers in good standing, or by self-insuring, in such amounts as are customary for like plants, to protect the holders, from time to time, of the Bonds and the Issuer from any material loss due to any such casualty and will apply the proceeds of such insurance to make good any such loss.

(f) The Issuer and each and all of its officers will punctually perform all duties with reference to the waste water disposal system as required by law.

(g) The Issuer will impose and collect charges for waste water disposal services at the times and in the amounts required to produce, with other moneys on hand and lawfully available for the purpose, net revenues adequate to pay all principal and interest when due on the Bonds.

(h) The Issuer will levy general ad valorem taxes on all taxable property in the Minneapolis-St. Paul metropolitan area, when required to meet any deficiency in net revenues.

SECTION 4. PLEDGE OF TAXING POWERS. It is hereby determined that the estimated collections of net waste water disposal system revenues, together with other available monies designated by the Council for such purposes, will produce at least five percent in excess of the amount needed to meet when due, the principal and interest payments on each series of Bonds and no tax levy is required at this time. However, the Issuer covenants and agrees that if and to the extent necessary to provide moneys sufficient to pay the principal of and interest on any series of Bonds when due, it will levy on all taxable property in the Minneapolis-St. Paul metropolitan area comprising the Counties of Anoka, Carver, Dakota (excluding the City of Northfield), Hennepin (excluding the Cities of Hanover and Rockford), Ramsey, Scott (excluding the City of New Prague), and Washington, a direct, irrevocable ad valorem tax for this purpose, the collections of which shall be deposited in the respective bond fund.

SECTION 5. DEFEASANCE. When all of the Bonds of a series have been discharged as provided in this section, all pledges, covenants and other rights granted by this resolution to the registered owners of such Bonds shall cease. The Issuer may discharge its obligations with respect to any Bonds of a series which are due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full; or, if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The Issuer may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action,

by depositing irrevocably in escrow, with a bank qualified by law as an escrow agent for this purpose, cash or securities which are authorized by law to be so deposited, bearing interest payable at such time and at such rates and maturing or callable at the holder's option on such dates as shall be required to pay all principal and interest to become due thereon to maturity or said redemption date.

SECTION 6. CERTIFICATION OF PROCEEDINGS.

6.1 Registration of Bonds and Certification as to Tax Levy. The Chief Financial Officer is hereby authorized and directed to file a certified copy of this resolution and such additional certificates as may be required with the County Auditors of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott and Washington Counties and to obtain from each County Auditor a certificate, prepared in substantially the form set forth respectively in Exhibit D hereto, that the Bonds have been duly entered upon the Auditor's bond register and that any tax required for the payment thereof has been levied.

6.2 Authentication of Transcript. The officers of the Issuer and County Auditors of the Counties specified in Section 6.1 are hereby authorized and directed to prepare and furnish to the Purchaser and to Dorsey & Whitney LLP, Bond Counsel, certified copies of all proceedings and records relating to the Bonds and such other affidavits, certificates and information as may be required to show the facts relating to the legality and marketability of the Bonds, as the same appear from the books and records in their custody and control or as otherwise known to them, and all such certified copies, affidavits and certificates, including any heretofore furnished, shall be deemed representations of the Issuer as to the correctness of all statements contained therein.

6.3 Official Statement. The Council staff, in cooperation with Springsted, is hereby authorized and directed to prepare on behalf of the Council an official statement (the "Official Statement") to be distributed to potential purchasers of the Bonds. The Official Statement shall contain the Terms of Proposal for each series of Bonds, as set forth in Exhibit A-1 and Exhibit A-2 hereto, and such other information as shall be deemed advisable and necessary to describe adequately the Council and the security for, and terms and conditions of, each series of Bonds. The final Official Statement shall be in the form approved by the Chief Financial Officer.

SECTION 7. TAX COVENANTS; ARBITRAGE MATTERS AND CONTINUING DISCLOSURE.

7.1 No Designation as Qualified Tax-Exempt Obligations. The Bonds are not designated as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code.

7.2 Tax Covenants. (a) The Issuer covenants and agrees with the registered owners of the Series 2010B Bonds that it will not take, or permit to be taken by any of its officers, employees or agents, any action which would cause the Series 2010B Bonds to lose their status as Build America Bonds (Direct Pay) under the Code and applicable Treasury Regulations (the "Regulations"), and covenants to take any and all actions within its powers to ensure that the Series 2010B Bonds will remain Build America Bonds (Direct Pay) under the Code and the Regulations.

(b) The Issuer covenants and agrees with the registered owners of the Series 2010C Bonds that it will not take, or permit to be taken by any of its officers, employees or agents, any action which would cause the interest payable on the Series 2010C Bonds to become subject to taxation under the Code and the Regulations, and covenants to take any and all actions within its powers to ensure that the interest on the Series 2010C Bonds will not become includable in gross income of the recipient under the Code and the Regulations.

The Series 2010B Projects financed with the proceeds of the Series 2010B Bonds will be owned and maintained by the Issuer so long as the Series 2010B Bonds are outstanding and will be publicly available. The Series 2010C Projects financed with the proceeds of the Series 2010C Bonds will be owned and maintained by the Issuer so long as the Series 2010C Bonds are outstanding and will be publicly available. The Issuer will not enter into any lease, use agreement, management agreement or other agreement or contract with any non-governmental person relating to the use of the improvements which might cause the Series 2010B Bonds or the Series 2010C Bonds to be considered “private activity bonds” or “private loan bonds” pursuant to Section 141 of the Code.

7.3 Arbitrage Certification. The Chair and Treasurer, being the officers of the Issuer charged with the responsibility for issuing the Bonds pursuant to this resolution, are authorized and directed to execute and deliver to each Purchaser a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating the facts, estimates and circumstances in existence on the date of issue and delivery of the respective series of Bonds which make it reasonable to expect that the proceeds of such Bonds will not be used in a manner that would cause such Bonds to be arbitrage bonds within the meaning of the Code and Regulations.

7.4 Arbitrage Rebate. The Issuer acknowledges that the Bonds are subject to the rebate requirements of Section 148(f) of the Code. The Issuer covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Regulations to preserve the status of the Series 2010B Bonds as “Build America Bonds” pursuant to Section 54AA of the Code and to preserve the exclusion of interest on the Series 2010C Bonds from gross income for federal income tax purposes, unless a series of Bonds qualifies for an exception from the rebate requirement pursuant to one of the spending exceptions set forth in Section 1.148-7 of the Regulations and no “gross proceeds” of such series of Bonds (other than amounts constituting a “bona fide debt service fund”) arise during or after the expenditure of the original proceeds thereof.

7.5 Continuing Disclosure. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the original Purchaser and other participating underwriters in the primary offering of the Bonds to comply with amendments to Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12), relating to continuing disclosure (as in effect and interpreted from time to time, the “Rule”), which will enhance the marketability of the Bonds, the Issuer hereby makes the covenants and agreements in Exhibit B hereto for the benefit of the Owners (as defined in Exhibit B) from time to time of the outstanding Bonds of each series. The Chief Financial Officer shall have overall responsibility for compliance with the Undertaking of Continuing Disclosure and other similar undertakings hereafter made by the Council under Rule 15c2-12(b)(5), and the Chief Financial Officer shall implement the dissemination of reports and notices thereunder. Amendments permitted by the undertakings necessitated by a change in circumstances that arises from a change in legal requirements, or change in law may be made by the Chief Financial Officer.

SECTION 8. BOND RATINGS. The Chief Financial Officer is authorized and directed to obtain ratings of the Bonds from up to three nationally recognized credit rating services, to pay the reasonable and customary charges of such rating services, and to take such other action as may be required so that the Bonds may be issued and sold as contemplated hereby.

SECTION 9. SEVERABILITY. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

SECTION 10. HEADINGS. Headings in this resolution are included for convenience of reference only and are not a part hereof, and shall not limit or define the meaning of any provision hereof.

Adopted: January 27, 2010.

- * *The Council reserves the right, after proposals are opened and prior to award, to increase or reduce the principal amount of the Bonds or the maturity amounts offered for sale. Any such increase or reduction will be made in multiples of \$5,000 in any of the maturities. In the event the principal amount of the Bonds is increased or reduced, any premium offered or any discount taken by the successful bidder will be increased or reduced by a percentage equal to the percentage by which the principal amount of the Bonds is increased or reduced.*

Proposals for the Bonds may contain a maturity schedule providing for a combination of serial bonds and term bonds. All term bonds shall be subject to mandatory sinking fund redemption at a price of par plus accrued interest to the date of redemption and must conform to the maturity schedule set forth above. In order to designate term bonds, the proposal must specify “Years of Term Maturities” in the spaces provided on the Proposal Form.

BOOK ENTRY SYSTEM

The Bonds will be issued by means of a book entry system with no physical distribution of Bonds made to the public. The Bonds will be issued in fully registered form and one Bond, representing the aggregate principal amount of the Bonds maturing in each year, will be registered in the name of Cede & Co. as nominee of The Depository Trust Company (“DTC”), New York, New York, which will act as securities depository of the Bonds. Individual purchases of the Bonds may be made in the principal amount of \$5,000 or any multiple thereof of a single maturity through book entries made on the books and records of DTC and its participants. Principal and interest are payable by the registrar to DTC or its nominee as registered owner of the Bonds. Transfer of principal and interest payments to participants of DTC will be the responsibility of DTC; transfer of principal and interest payments to beneficial owners by participants will be the responsibility of such participants and other nominees of beneficial owners. The purchaser, as a condition of delivery of the Bonds, will be required to deposit the Bonds with DTC.

REGISTRAR

The Chief Financial Officer of the Council will serve as registrar.

OPTIONAL REDEMPTION

The Council may elect on February 1, 2020, and on any day thereafter, to prepay Bonds due on or after February 1, 2021. Redemption may be in whole or in part and if in part at the option of the Council and in such manner as the Council shall determine. If less than all Bonds of a maturity are called for redemption, the Council will notify DTC of the particular amount of such maturity to be prepaid. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interests in such maturity to be redeemed. All prepayments shall be at a price of par plus accrued interest.

EXTRAORDINARY REDEMPTION

The Bonds are subject to extraordinary redemption at the direction of the Council if the IRS determines, or is expected by the Council to determine, either prospectively or otherwise, that Direct Payments are not payable with respect to the Bonds, or there is a change in law eliminating or decreasing Direct Payments with respect to the Bonds. The redemption shall be at a price of par plus accrued interest, and the redemption date shall be a date designated by the Council for which timely notice of redemption can be given.

SECURITY AND PURPOSE

The Bonds will be general obligations of the Council for which the Council will pledge its full faith and credit and power to levy direct general ad valorem taxes. In addition, the Council will pledge net revenues of the Metropolitan waste water disposal system. The proceeds will be used to finance improvements and/or acquisitions to the Metropolitan waste water system.

TAXABILITY OF INTEREST

The interest to be paid on the Bonds is includable in gross income of the recipient for United States and State of Minnesota income tax purposes, and is subject to Minnesota Corporate and bank excise taxes measured by net income.

BIDDING PARAMETERS

To comply with the “Build America Bond” provisions of the Internal Revenue Code of 1986, as amended (the “Code”), each proposal for the Bonds must specify the expected reoffering price for each maturity of the Bonds, and (i) each such reoffering price cannot exceed the par amount of the maturity by more than .25% multiplied by the number of complete years to the earlier of the maturity date or the first optional redemption date for the maturity of the Bonds and (ii) in the initial offering no bond may be sold for a price in excess of such limit unless the IRS provides authoritative guidance to the contrary; provided, however, in no event shall the maximum permitted reoffering price for a maturity of the Bonds exceed the amount presented for such maturity in the table below.

Proposals for the Bonds shall be for not less than \$26,030,080 or for not more than a de minimis premium, as described below.

<u>Year</u>	<u>Maximum Permitted Price</u>	<u>Year</u>	<u>Maximum Permitted Price</u>	<u>Year</u>	<u>Maximum Permitted Price</u>	<u>Year</u>	<u>Maximum Permitted Price</u>
2021	102.50%	2024	102.50%	2027	102.50%	2029	102.50%
2022	102.50%	2025	102.50%	2028	102.50%	2030	102.50%
2023	102.50%	2026	102.50%				

No proposal can be withdrawn or amended after the time set for receiving proposals unless the meeting of the Council scheduled for award of the Bonds is adjourned, recessed, or continued to another date without award of the Bonds having been made. Rates shall be in integral multiples of 5/100 or 1/8 of 1%. Rates are not required to be in level or ascending order; however, the rate for any maturity cannot be more than 1% lower than the highest rate of any of the preceding maturities. Bonds of the same maturity shall bear a single rate from the date of the Bonds to the date of maturity. No conditional proposals will be accepted.

GOOD FAITH DEPOSIT

Proposals, regardless of method of submission, shall be accompanied by a Deposit in the amount of \$262,400, in the form of a certified or cashier's check, a wire transfer, or Financial Surety Bond and delivered to Springsted Incorporated prior to the time proposals will be opened. Each bidder shall be solely responsible for the timely delivery of their Deposit whether by check, wire transfer or Financial Surety Bond. Neither the Council nor Springsted Incorporated have any liability for delays in the transmission of the Deposit.

Any Deposit made by **certified or cashier's check** should be made payable to the Council and delivered to Springsted Incorporated, 380 Jackson Street, Suite 300, St. Paul, Minnesota 55101.

Any Deposit sent via **wire transfer** should be sent to Springsted Incorporated as the Council's agent according to the following instructions:

Wells Fargo Bank, N.A., San Francisco, CA 94104

ABA #121000248

For credit to Springsted Incorporated, Account #635-5007954

Contemporaneously with such wire transfer, the bidder shall send an e-mail to bond_services@springsted.com, including the following information; (i) indication that a wire transfer has been made, (ii) the amount of the wire transfer, (iii) the issue to which it applies, and (iv) the return wire instructions if such bidder is not awarded the Bonds.

Any Deposit made by the successful bidder by check or wire transfer will be delivered to the Council following the award of the Bonds. Any Deposit made by check or wire transfer by an unsuccessful bidder will be returned to such bidder following Council action relative to an award of the Bonds.

If a **Financial Surety Bond** is used, it must be from an insurance company licensed to issue such a bond in the State of Minnesota and pre-approved by the Council. Such bond must be submitted to Springsted Incorporated prior to the opening of the proposals. The Financial Surety Bond must identify each underwriter whose Deposit is guaranteed by such Financial Surety Bond. If the Bonds are awarded to an underwriter using a Financial Surety Bond, then that underwriter is required to submit its Deposit to the Council in the form of a certified or cashier's check or wire transfer as instructed by Springsted Incorporated not later than 3:30 P.M., Central Time on the next business day following the award. If such Deposit is not received by that time, the Financial Surety Bond may be drawn by the Council to satisfy the Deposit requirement.

The Deposit received from the purchaser, the amount of which will be deducted at settlement, will be deposited by the Council and no interest will accrue to the purchaser. In the event the purchaser fails to comply with the accepted proposal, said amount will be retained by the Council.

AWARD

The Bonds will be awarded to the bidder offering the lowest interest rate to be determined on a true interest cost (TIC) basis, treating the credit available to the Council as a reduction in each interest payment. No proposal for the Bonds may require reoffering premiums in excess of the

maximums set for the Bonds issued as “Qualified Build America Bonds.” The Council’s computation of the interest rate of each proposal, in accordance with customary practice, will be controlling.

The Council will reserve the right to: (i) waive non-substantive informalities of any proposal or of matters relating to the receipt of proposals and award of the Bonds, (ii) reject all proposals without cause, and (iii) reject any proposal that the Council determines to have failed to comply with the terms herein.

CUSIP NUMBERS

If the Bonds qualify for assignment of CUSIP numbers such numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto will constitute cause for failure or refusal by the purchaser to accept delivery of the Bonds. The CUSIP Service Bureau charge for the assignment of CUSIP identification numbers shall be paid by the purchaser.

SETTLEMENT

On or about February 22, 2010, the Bonds will be delivered without cost to the purchaser through DTC in New York, New York. Delivery will be subject to receipt by the purchaser of an approving legal opinion of Dorsey & Whitney LLP of Minneapolis, Minnesota, and of customary closing papers, including a no-litigation certificate. On the date of settlement, payment for the Bonds shall be made in federal, or equivalent, funds that shall be received at the offices of the Council or its designee not later than 12:00 Noon, Central Time. Unless compliance with the terms of payment for the Bonds has been made impossible by action of the Council, or its agents, the purchaser shall be liable to the Council for any loss suffered by the Council by reason of the purchaser's non-compliance with said terms for payment.

CONTINUING DISCLOSURE

In accordance with SEC Rule 15c2-12(b)(5), the Council will undertake, pursuant to the resolution awarding sale of the Bonds, to provide annual reports and notices of certain events. A description of this undertaking is set forth in the Official Statement. The purchaser's obligation to purchase the Bonds will be conditioned upon receiving evidence of this undertaking at or prior to delivery of the Bonds.

OFFICIAL STATEMENT

The Council has authorized the preparation of an Official Statement containing pertinent information relative to the Bonds, and said Official Statement will serve as a nearly final Official Statement within the meaning of Rule 15c2-12 of the Securities and Exchange Commission. For

copies of the Official Statement or for any additional information prior to sale, any prospective purchaser is referred to the Financial Advisor to the Council, Springsted Incorporated, 380 Jackson Street, Suite 300, Saint Paul, Minnesota 55101, telephone (651) 223-3000.

The Official Statement, when further supplemented by an addendum or addenda specifying the maturity dates, principal amounts and interest rates of the Bonds, together with any other information required by law, shall constitute a “Final Official Statement” of the Council with respect to the Bonds, as that term is defined in Rule 15c2-12. By awarding the Bonds to any underwriter or underwriting syndicate submitting a proposal therefor, the Council agrees that, no more than seven business days after the date of such award, it shall provide without cost to the senior managing underwriter of the syndicate to which the Bonds are awarded 250 copies of the Official Statement and the addendum or addenda described above. The Council designates the senior managing underwriter of the syndicate to which the Bonds are awarded as its agent for purposes of distributing copies of the Final Official Statement to each Participating Underwriter. Any underwriter delivering a proposal with respect to the Bonds agrees thereby that if its proposal is accepted by the Council (i) it shall accept such designation and (ii) it shall enter into a contractual relationship with all Participating Underwriters of the Bonds for purposes of assuring the receipt by each such Participating Underwriter of the Final Official Statement.

The Issuer is the only “obligated person” in respect of the Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made. The Issuer has complied in all material respects with any undertaking previously entered into by it under the Rule. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder to the extent permitted by law. Notwithstanding anything to the contrary contained herein, in no event shall a default under this section constitute a default under the Bonds or under any other provision of this resolution. As used in this section, “Owner” or “Bondowner” means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any “Beneficial Owner” (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, “Beneficial Owner” means, in respect of a Bond, any person or entity which (i) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Bond (including persons or entities holding Bonds through nominees, depositories or other intermediaries), or (ii) is treated as the owner of the Bond for federal income tax purposes.

(b) Information To Be Disclosed. The Issuer will provide, in the manner set forth in subsection (c) hereof, either directly or indirectly through an agent designated by the Issuer, the following information at the following times:

(c) Manner of Disclosure.

(1) The Issuer agrees to make available to the MSRB, in an electronic format as prescribed by the MSRB from time to time, the information described in subsection (b).

(2) The Issuer further agrees to make available, by electronic transmission, overnight delivery, mail or other means, as appropriate, the information described in subsection (b) to any rating agency then maintaining a rating of the Bonds at the request of the Issuer and, at the expense of such Bondowner, to any Bondowner who requests in writing such information, at the time of transmission under paragraph (1) of this subsection (c), or, if such information is transmitted with a subsequent time of release, at the time such information is to be released.

(3) All documents provided to the MSRB pursuant to this subsection (c) shall be accompanied by identifying information as prescribed by the MSRB from time to time.

(d) Term; Amendments; Interpretation.

(1) The covenants of the Issuer in this section shall remain in effect so long as any Bonds are outstanding. Notwithstanding the preceding sentence, however, the obligations of the Issuer under this section shall terminate and be without further effect as of any date on which the Issuer delivers to the Registrar an opinion of Issuer's current Bond Counsel to the effect that, because of legislative action or final judicial or administrative actions or proceedings, the failure of the Issuer to comply with the requirements of this section will not cause participating underwriters in the primary offering of the Bonds to be in violation of the Rule or other applicable requirements of the Securities Exchange Act of 1934, as amended, or any statutes or laws successory thereto or amendatory thereof.

(2) This section (and the form and requirements of the Disclosure Information) may be amended or supplemented by the Issuer from time to time, without notice to (except as provided in paragraph (c)(3) hereof) or the consent of the Owners of any Bonds, by a resolution of this Council filed in the office of the recording officer of the Issuer accompanied by an opinion of Issuer's current Bond Counsel, who may rely on certificates of the Issuer and others and the opinion may be subject to customary qualifications, to the effect that: (i) such amendment or supplement (a) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature or status of the Issuer or the type of operations conducted by the Issuer, or (b) is required by, or better complies with, the provisions of paragraph (b)(5) of the Rule; (ii) this section as so amended or supplemented would have complied with the requirements of paragraph (b)(5) of the Rule at the time of the primary offering of the Bonds, giving effect to any change in circumstances applicable under clause (i)(a) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in effect at the time of the primary offering; and (iii) such amendment or supplement does not materially impair the interests of the Bondowners under the Rule.

If the Disclosure Information is so amended, the Issuer agrees to provide, contemporaneously with the effectiveness of such amendment, an explanation of the reasons for the amendment and the effect, if any, of the change in the type of financial information or operating data being provided hereunder.

(3) This section is entered into to comply with the continuing disclosure provisions of the Rule and should be construed so as to satisfy the requirements of paragraph (b)(5) of the Rule.

[End of form of Series 2010C Bond]

3. Registration. The effect of registration and the rights and duties of the Issuer and the Registrar with respect thereto are as follows:

(a) Register. The Registrar shall keep at its office a bond register in which the Registrar shall provide for the registration of ownership of Bonds of each series and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged.

(b) Transfer of Bonds. Upon surrender for transfer of any Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like series, aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the fifteenth day of the month preceding each interest payment date and until such interest payment date.

(c) Exchange of Bonds. Whenever any Bonds are surrendered by the registered owner for exchange the Registrar shall authenticate and deliver one or more new Bonds of a like series, aggregate principal amount and maturity, as requested by the registered owner or the owner's attorney in writing.

(d) Cancellation. All Bonds surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the Issuer.

(e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The Issuer and the Registrar may treat the person in whose name any Bond is at any time registered in the bond register as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer or exchange of Bonds, the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like series, amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that such Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the Issuer and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the Issuer. If the mutilated, destroyed, stolen or lost Bond has

already matured or been called for redemption in accordance with its terms it shall not be necessary to issue a new Bond prior to payment.

(i) Authenticating Agent. The Registrar is hereby designated authenticating agent for each series of Bonds, within the meaning of Minnesota Statutes, Section 475.55, Subdivision 1, as amended.

4. (a) Securities Depository. For purposes of this paragraph 3, the following terms shall have the following meanings:

“Beneficial Owner” shall mean, whenever used with respect to a Bond of a series, the person in whose name such Bond is recorded as the beneficial owner of such Bond by a Participant on the records of such Participant, or such person’s subrogee.

“Cede & Co.” shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Bonds of a series.

“DTC” shall mean The Depository Trust Company of New York, New York.

“Participant” shall mean any broker-dealer, bank or other financial institution for which DTC holds Bonds of a series as securities depository.

“Representation Letter” shall mean the Representation Letter pursuant to which the sender agrees to comply with DTC’s Operational Arrangements.

(b) The Bonds of each series shall be initially issued as separately authenticated fully registered bonds, and one Bond shall be issued in the principal amount of each stated maturity of the Bonds of such series. Upon initial issuance, the ownership of such Bonds shall be registered in the bond register in the name of Cede & Co., as nominee of DTC. The Registrar and the Issuer may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to registered owners of Bonds under the Resolution, registering the transfer of Bonds, and for all other purposes whatsoever; and neither the Registrar nor the Issuer shall be affected by any notice to the contrary. Neither the Registrar nor the Issuer shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the bond register as being a registered owner of any Bonds, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or any Participant of any amount with respect to the principal of or interest on the Bonds, with respect to any notice which is permitted or required to be given to owners of Bonds under the Resolution, with respect to the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Bonds, or with respect to any consent given or other action taken by DTC as registered owner of the Bonds. So long as any Bond is registered in the name of Cede & Co., as nominee of DTC, the Registrar shall pay all principal of and interest on such Bond, and shall give all notices with respect to such Bond, only to Cede & Co. in accordance with DTC’s Operational Arrangements, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer’s obligations with respect to the principal of and interest on the Bonds to the

extent of the sum or sums so paid. No person other than DTC shall receive an authenticated Bond for each separate stated maturity of a series evidencing the obligation of the Issuer to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Bonds of each series will be transferable to such new nominee in accordance with paragraph (e) hereof.

(c) In the event the Issuer determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bonds of a series in the form of bond certificates, the Issuer may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Bonds in the form of certificates. In such event, the Bonds will be transferable in accordance with paragraph (e) hereof. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the Issuer and the Registrar and discharging its responsibilities with respect thereto under applicable law. In such event the Bonds will be transferable in accordance with paragraph (e) hereof.

(d) The execution and delivery of the Representation Letter to DTC, if not previously filed with DTC, by the Chair or Treasurer is hereby authorized and directed.

(e) In the event that any transfer or exchange of Bonds of a series is permitted under paragraph (b) or (c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of the Resolution. In the event Bonds in the form of certificates are issued to owners other than Cede & Co., its successor as nominee for DTC as owner of all the Bonds, or another securities depository as owner of all the Bonds, the provisions of the Resolution shall also apply to all matters relating thereto, including, without limitation, the printing of such Bonds in the form of bond certificates and the method of payment of principal of and interest on such Bonds in the form of bond certificates.
