Proposed Action/Motion

That the Metropolitan Council concur with the Transportation Advisory Board (TAB) Action to amend the 2007-2010 Transportation Improvement Program (TIP) to name the Job Access Reverse Commute (JARC) projects that will be funded using the 2007 appropriation of \$991,982 for JARC.

Overview and Funding

Currently, JARC funds are listed in the 2007-2010 TIP as a lump sum. This amendment identifies the individual sub-grant recipients and projects selected to receive funding under JARC. This project is consistent with the Region's Transportation Policy Plan, does not affect fiscal constraint and is exempt from regional air quality analysis.
