

# Integration of the Fair Housing Equity Assessment and *Thrive* *MSP 2040*

Committee of the Whole

# Opportunities for integration: Principles

## Thrive MSP 2040 Principle:

- **Equity:** Connecting all residents to opportunities such as good jobs, transportation choices, safe and stable housing, a range of parks and natural areas, and vibrant public spaces.

Agreed to September 2012

# Opportunities for integration: Indicators

## **Fair Housing Equity Assessment:**

What indicators should we use to understand the geography of opportunity?

## **Thrive:**

What indicators should we use to assess progress toward the Thrive goals and to evaluate alternative scenarios?

December 19

# Opportunities for integration: Alternative Policy Scenarios

## Fair Housing Equity Assessment:

Where are the high-opportunity parts of the region? How do we increase access to high-opportunity parts of the region?

January 16

## Thrive:

What policies do we include in alternative policy scenarios to increase access to opportunity?

January -- February

# Opportunities for integration: Preferred Policy Scenario

## Fair Housing Equity Assessment:

What impacts do the alternative policy scenarios have on increasing access to opportunity?

## Thrive:

What policies do we include in the preferred policy scenario to increase access to opportunity?

April -- May

June -- July
