Proposed Action

That the Metropolitan Council approve Resolution 2010-26 authorizing the Regional Administrator to apply for 2011 Section 5311 Non-urbanized Area Formula Program funding from the Minnesota Department of Transportation (MnDOT).

Background

The Federal Transit Administration (FTA) apportions the funds appropriated annually to the Chief Executive Officer of each State for public transportation projects in non-urbanized areas. Within Minnesota, these funds are administered by MnDOT. Eighty percent of the statutory allocation is based on the non-urbanized population within the state and 20% is based on land area. Based on 2000 census data, the seven county metro area accounts for 11% of the state's non-urbanized area population and 2.4% of the state's non-urbanized geographic area.

MnDOT oversees a competitive process to disburse Section 5311 funds, which may be used to fund capital projects at 80% reimbursement, or operating costs at 50% reimbursement. Projects funded through this program must serve residents of non-urbanized areas. Last year the Council was awarded a \$1 million grant for 2010 dial-a-ride operations.

Rationale

MnDOT receives over \$12 million annually from the Federal Transit Administration to fund transit services in the non-urbanized areas throughout the state of Minnesota. Non-urbanized population and geographic area within the Council's jurisdiction are included in the federal funding formula. Approval of this resolution will enable Council staff to apply for Section 5311 funds to support restructured regional dial-a-ride service in the non-urban portion of the metropolitan area.

Funding

MTS has included \$1 million in 5311 formula funds in its proposed 2011 operating budget. The final budget will reflect the actual 5311 funding award which will be known

by late October. This funding will be used to support Transit Link dial-a-ride service in the non-urban portions of the seven counties.

Known Support / Opposition

There is no known opposition to Metropolitan Council applying for these funds.
