Proposed Action

That the Metropolitan Council extends City of Minnetonka Beach's comprehensive plan update submission deadline from December 31, 2008 to June 30, 2009.

Background

Minnesota Statutes section 473.864 requires all local governments in the seven-county metropolitan area to review and update their local comprehensive plans submit those updates to the Metropolitan Council for review and comment by December 31, 2008. Section 473.864 authorizes the Council to grant extensions to local government units if they need additional time to complete their comprehensive plan review and revisions. According to statute, any extensions granted by the Council "must include a timetable for completion of the review." The Metropolitan Land Planning Act requires the Council to establish guidelines and procedures to which local government units must conform when preparing, adopting, and submitting their plans. In June, the Council adopted guidelines and procedures for communities to follow when requesting extensions to the comprehensive plan update submission deadline.

Pursuant to the guidelines adopted by the Metropolitan Council on June 25, 2008, the City of Minnetonka Beach has submitted the required materials to request an extension to the statutory submission date for comprehensive plan updates. The City has requested that their submission date be extended from December 31, 2008, to June 30, 2009.

The City did not begin its work on the comprehensive plan update until it received a planning assistance loan from the Council and resolution of its dispute related to the Dakota Rail Regional Trail. After the dispute was resolved and the loan secured, the City began its planning process to update its plan.

In the request materials, the City indicates that the draft of the comprehensive plan will be complete in December 2008, with the adjacent community and affected jurisdiction review being initiated by December 9, 2008. The 6-month review period would then be complete in mid-June, allowing the community time to make any necessary changes and the City Council to take action to submit the plan to the Council by June 30, 2009.

Rationale

Anticipating that some communities may encounter issues in completing and submitting their plans by the statutory December 31, 2008 submission date, the Council adopted a process and guidelines that allow for the extension of the submission date. Requests for extensions up to May 29, 2009 may be administratively reviewed and granted, while requests for extensions to a date beyond May 29, 2009 require Council action.

The City's request for an extension to June 30, 2009 is one month beyond that which could be administratively reviewed to accommodate a full six-month adjacent review period. It has been Council staff's experience that many communities have been able to obtain comments from the affected jurisdictions prior to the termination of the full six months.

Funding

The Metropolitan Council provided the City with a \$40,000 Planning Assistance Loan (L-2008-02) in January 2008. The loan has an end date of January 20, 2010. The loan agreement does not specify a completion date for submittal of the plan to the Council for formal review. Therefore, an amendment of the loan agreement to reflect the requested extension is not needed.

Dear Committee Members;

Attached please find a Request for Extension of Planning Period for the City of Minnetonka Beach Comprehensive Plan and City Council Resolution 2008-46 requesting additional time to submit our Comprehensive Plan. As the resolution states the need for the extension is to allow for the required review by adjacent jurisdictions and to amend fiscal devices and official controls. The City expects to complete the plan amendments by the end of 2008 at which time it will be sent to adjacent jurisdictions, and informally to the Metropolitan Council, to allow for the six month statutory review period. The City intends to formally submit the plan to the Metropolitan Council on or before June 30, 2009.

On behalf of the City of Minnetonka Beach I respectfully request that you grant this extension. Feel free to contact me at 952-471-8878 or Richard Krier, the City's Planning and Zoning Administrator at 952-476-1762 if you have questions about this request.

Thank you in advance.

Sincerely,

Susanne Griffin
