Proposed Action

That the Metropolitan Council approve the attached Resolution 2011-43 adopting the Livable Communities Act Local Housing Incentives Account (LCA LHIA) Affordable and Lifecycle Housing goals that have been adopted by the City of Orono to participate in the Livable Communities Act for 2012-2020.

Background

The Livable Communities Act (LCA), Minnesota State Statute 473.254, requires that communities have affordable and life-cycle housing goals in place to participate in the LCA. Communities electing to participate in the LCA establish their goals, by City Council resolution, and communicate their desire to participate to the Council by November 15 of any year. Last year, the original LCA goals period (1996 – 2010) came to an end and Council staff renegotiated goals for the period 2011-2020 with 93 communities by the statutory deadline of November 15. One community, Orono, was unable to submit their resolution by that date. No other additional communities notified us by November 15, 2011 that they elect to participate in the LCA program beginning next year. At the November 21, 2011 Community Development Committee meeting, the Committee held the public hearing that is required by law before adopting the new goals. The public record will be held open until 4:00 P.M. December 1, 2011. Comments received by that time, if any, will be reported at the December 5th CDC meeting.

Rationale

MN Statutes 473.254 requires the Council to negotiate affordable and life-cycle housing goals with each municipality that elects to participate in the LCA LHIA and that the Council adopt by resolution, after a public hearing, the negotiated goals.

This action has no funding impact.
