Item: 2012-196

June 18, 2012

**Date Prepared:**

**Subject:** Park Acquisition Opportunity Fund Grant Request for Rice Creek Chain of Lakes Park Reserve, Anoka County

**Proposed Action:**

That the Metropolitan Council authorize a grant of up to \$268,072 from the Environment and Natural Resources Trust Fund Acquisition Account in the Park Acquisition Opportunity Fund to Anoka County to finance 75% of the acquisition costs to acquire the 85 acre Preiner parcel as depicted in Figure 1 for Rice Creek Chain of Lakes Park Reserve. The grant should be financed with:

\$110,547 from the 2009 Environment and Natural Resources Trust Fund appropriation

\$ 50,296 from the 2011 Environment and Natural Resources Trust Fund appropriation

\$107,229 from Metropolitan Council bonds

**Summary of Committee Discussion / Questions:**

The Community Development Committee had no questions. The Committee unanimously approved the recommendation.

**Proposed Action**

That the Metropolitan Council authorize a grant of up to \$268,072 from the Environment and Natural Resources Trust Fund Acquisition Account in the Park Acquisition Opportunity Fund to Anoka County to finance 75% of the acquisition costs to acquire the 85 acre Preiner parcel as depicted in Figure 1 for Rice Creek Chain of Lakes Park Reserve. The grant should be financed with:

- \$110,547 from the 2009 Environment and Natural Resources Trust Fund appropriation
- \$ 50,296 from the 2011 Environment and Natural Resources Trust Fund appropriation
- \$107,229 from Metropolitan Council bonds

**Background**

Anoka County has submitted a request for a Park Acquisition Opportunity Fund Grant to help finance the acquisition and related costs for 85 acres for Rice Creek Chain of Lakes Park Reserve. Total cost of the acquisition is \$357,430. Under the rules of the Park Acquisition Opportunity Fund grant program 75% of that cost or \$268,072 is requested.

**Rationale**

In 2001, the Metropolitan Council established a Park Acquisition Opportunity Fund grant program to assist regional park agencies in acquiring land for the Metropolitan Regional Park System. Land that is acquired must be within Metropolitan Council approved master plan boundaries for that particular park or trail unit.

## **Funding**

This parcel qualifies for funding from the Parks and Trails Legacy Fund Acquisition Account because this fund can be used to acquire land and associated buildings. If \$268,072 is awarded for this parcel and \$329,550 is awarded for the Big Marine Park Reserve parcel (Agenda item 2012-198), there would be \$1,967,259 for future land acquisitions that qualify from the Environment and Natural Resources Trust Fund Acquisition Account until June 30. Then an additional \$1,875,000 would be added on July 1 from a Fiscal Year 2013 appropriation and matching Metro Council bonds for a projected balance of \$3,842,258.

## **Known Support / Opposition**

The Metropolitan Parks and Open Space Commission considered this grant request at its meeting on June 5, 2012 and unanimously recommended that it be approved.

**SUBJECT:** (2012-196) Park Acquisition Opportunity Fund Grant Request for Rice Creek Chain of Lakes Park Reserve, Anoka County  
Metropolitan Parks & Open Space Commission District F: Daniel Schlaferman

**INTRODUCTION**

In 2001, the Metropolitan Council established a Park Acquisition Opportunity Fund grant program to assist regional park agencies in acquiring land for the Metropolitan Regional Park System. Land that is acquired must be within Metropolitan Council approved master plan boundaries for that particular park or trail unit. To-date, about \$25.1 million has been granted or pending for the acquisition of 1,940 acres. The total related acquisition costs and market value of this land is about \$65.6 million. (See Attachment 2 at the end of this memorandum for a list of all grants awarded and pending as of May 25, 2012).

Anoka County has submitted a request for a Park Acquisition Opportunity Fund Grant to help finance the acquisition and related costs for 85 acres for Rice Creek Chain of Lakes Park Reserve. Total cost of the acquisition is \$357,430. Under the rules of the Park Acquisition Opportunity Fund grant program 75% of that cost or \$268,072 is requested. (See Attachment 1: Letter from Karen Blaska, Anoka County)

This memorandum analyzes the request against the rules for Park Acquisition Opportunity Fund grants. The memorandum recommends approving the grant. If \$268,072 is awarded for this parcel and \$329,550 is awarded for the Big Marine Park Reserve parcel, there would be \$1,967,259 for future land acquisitions that qualify from the Environment and Natural Resources Trust Fund Acquisition Account until June 30. Then an additional \$1,875,000 would be added on July 1 from a Fiscal Year 2013 appropriation and matching Metro Council bonds for a projected balance of \$3,842,258.

**AUTHORITY TO REVIEW**

Minnesota Statute Section 473.315 authorizes the "Metropolitan Council with the advice of the Metropolitan Parks and Open Space Commission to make grants from any funds available to it for recreation open space purposes to any municipality, park district or county located wholly or partially within the metropolitan area to cover the cost, or any portion of the cost, of acquiring or developing regional recreation open space in accordance with the [*Regional Recreation Open Space*] Policy Plan".

## BACKGROUND

The Park Acquisition Opportunity Fund is comprised of two accounts:

The first account is called the Environment and Natural Resources Trust Fund Acquisition Account, which is used to purchase land with high quality natural resource characteristics. No residential structures can be acquired with this account. This account has a projected balance of \$2,564,880 at this time pending approval of a recommended grant from this account on June 13. The account is comprised of \$1,433,277 of Environment and Natural Resources Trust Fund revenue appropriated in the 2009 and 2011 Legislative Sessions and \$1,131,604 of bonds issued by the Metropolitan Council as a 40% match to the State appropriation. If \$268,072 is awarded for this parcel and \$329,550 is awarded for the Big Marine Park Reserve parcel, there would be \$1,967,258 for future land acquisitions that qualify from the Environment and Natural Resources Trust Fund Acquisition Account until June 30. Then an additional \$1,875,000 would be added on July 1 from a Fiscal Year 2013 appropriation and matching Metro Council bonds for a projected balance of \$3,842,258.

The second account is called the Parks and Trails Legacy Fund Acquisition Account, which is used to purchase land that has low natural resource characteristics and any related structures –typically a parcel with a house or other buildings. This account is financed with Parks and Trails Legacy Fund appropriations from the Land and Legacy Amendment plus bonds issued by the Metropolitan Council. This account has a balance of \$1,152,678 at this time pending approval of a recommended grant from this account on June 13. The account is comprised of \$532,841 of FY 2012 Parks and Trails Legacy Funds and \$1,019,837 of Metropolitan Council bonds until June 30. Then an additional \$2,690,000 would be added on July 1 from a Fiscal Year 2013 appropriation and matching Metro Council bonds for a projected balance of \$4,242,678.

Assuming the requested \$268,072 grant for this parcel and \$329,550 for the Big Marine Park Reserve parcel are awarded, the combined balance of both accounts would be \$3,519,936. If we add the FY 2013 appropriations and matching Metro Council bonds that become available in both accounts on July 1 the combined balance of both accounts would be \$8,084,936.

Grants from the Park Acquisition Opportunity Fund are awarded under a set of rules that were approved by the Council on June 24, 2009 and amended on December 14, 2011. The rules allow a grant or grants totaling \$1.7 million per year (July 1 to June 30) from each account to a park agency to finance up to 75% of the purchase price of the property plus related costs.

The 85 acres proposed for acquisition, hereafter called the Preiner parcel is depicted in Figure 1 – an aerial map of the parcel in context with a portion of the park reserve north of I-35W. This land was added to the park's boundary in a master plan amendment approved by the Metropolitan Council on April 25, 2012 (Agenda Item 2012-130).

## ANALYSIS

### Acquisition cost analysis

The total costs to acquire fee title for the 85 acre Preiner parcel including related grant eligible costs is \$357,430 as shown in Table 1:

**Table 1: Costs for fee title acquisition of 85 acre Preiner parcel for Rice Creek Chain of Lakes Park Reserve, Anoka County**

Parcel	Cost
Purchase price	\$ 348,000
Estimated Closing Costs	\$ 3,500
Payment in Lieu of Property Taxes (180% of city taxes due at closing)	\$ 3,870
Pro-rated share of all local property taxes due at closing	\$ 2,060
<b>Total</b>	<b>\$ 357,430</b>

Anoka County requests that the acquisition be financed with the following revenue sources as shown in Table 2:

**Table 2: Revenue Sources for acquisition of 85 acre Preiner parcel for Rice Creek Chain of Lakes Park Reserve, Anoka County**

Metropolitan Council Park Acquisition Opportunity Fund (75%)	\$ 268,072
Anoka County (25%)	\$ 89,358
<b>Total:</b>	<b>\$ 357,430</b>

This parcel qualifies for funding from the Environment and Natural Resources Trust Fund Acquisition Account because it includes wetlands and forest land with no structures. The Park Acquisition Opportunity Fund grant would be financed as shown in Table 3.

## **Rules for distributing grants from Park Acquisition Opportunity Fund**

On June 24, 2009 the Metropolitan Council adopted rules that govern the distribution of grants from the Fund on a state fiscal year basis--July 1 to June 30. The rules were amended on December 14, 2011. Those rules are indicated below in italic font. The following findings indicate that these rules have been met for Anoka County's grant request.

*A. Grants from the Park Acquisition Opportunity Fund may only be awarded to finance a portion of the cost to acquire land within Metropolitan Council-approved master plan boundaries, and only after the requesting regional park implementing agency has used available acquisition grant funds previously provided by the Metropolitan Council.*

Anoka County's request is consistent with this rule because the parcels are within the Metropolitan Council-approved master plan boundary for Rice Creek Chain of Lakes Park Reserve. Plus, the park agency does not have acquisition grant funds previously provided by the Metropolitan Council to finance this acquisition.

*B. Any interest cost on a contract for deed or other timed payment plan is not eligible for grant funding. The value of a discounted sale (i.e. the difference between the appraised value and a reduced sale price) is not counted as part of the cost to acquire land and is not included as part of a local match to the grant.*

The grant proposed here would be the only transaction for the parcel.

*C. Grants from the Park Acquisition Opportunity Fund may finance a portion of the actual cost to acquire land after deducting any Metropolitan Council grants and other grants used to finance a portion of the cost as follows:*

*The Park Acquisition Opportunity Fund Grant finances 75% of the net cost of acquiring the land which is defined as the purchase price—not the appraised value; legal fees, appraisal costs and other closing costs incurred by the park agency; the property tax equivalency payment due to the city or township; and stewardship costs.*

*A contribution of 25% of the net cost of acquiring the land up to \$567,000 that is financed by regional park implementing agency funds or other sources is not eligible for reimbursement consideration by the Metropolitan Council. Seventy-five percent (75%) of a contribution above \$567,000 that is financed with regional park implementing agency funds only is eligible for reimbursement consideration by the Metropolitan Council.*

Anoka County's request is 75% of the costs to acquire fee title to this parcel. Anoka County will provide a 25% non-reimbursable match to the Council's grant. The grant request and match to the Council's grant is consistent with this rule.

*The maximum grant(s) available to a park agency is \$1.7 million from the Environment and Natural Resources Trust Fund Acquisition Account and \$1.7 million from the Parks and Trails Legacy Fund Acquisition Account during the July 1 to June 30 time period.*

The grant is within the \$1.7 million limit from the Environment and Natural Resources Trust Fund Acquisition Account during this time period.

**CONCLUSION:**

The Environment and Natural Resources Trust Fund Acquisition Account in the Park Acquisition Opportunity Fund should be used to finance this grant because it is consistent with the utilization of this account.

**RECOMMENDATION:**

That the Metropolitan Council authorize a grant of up to \$268,072 from the Environment and Natural Resources Trust Fund Acquisition Account in the Park Acquisition Opportunity Fund to Anoka County to finance 75% of the acquisition costs to acquire the 85 acre Preiner parcel as depicted in Figure 1 for Rice Creek Chain of Lakes Park Reserve. The grant should be financed with:

\$110,547 from the 2009 Environment and Natural Resources Trust Fund appropriation  
\$ 50,296 from the 2011 Environment and Natural Resources Trust Fund appropriation  
\$107,229 from Metropolitan Council bonds

Re: Rice Creek Chain of Lakes Park Reserve – Park Acquisition Opportunity Funding Request

Dear Arne:

As you are aware, the Metropolitan Council has recently approved an amendment to the Rice Creek Chain of Lakes Park Reserve Master Plan adjusting the park boundary to include an additional 85 acres to the park boundary.

The property is located along the Rice Creek corridor and upon acquisition will provide an access point to the park north of Interstate 35W. The County has been negotiating with the land owner and has come to an agreed upon a purchase price of \$348,000, which is also the appraisal price. The purchase price including closing costs and property taxes due at closing are as follows:

\$348,000	Purchase Price
\$ 3,500	Estimated Closing Costs
\$ 2,060	Estimated 2013 Property taxes due at closing
<u>\$ 3,870</u>	Estimated 2013 City of Columbus taxes (1.8x)
\$357,430	Total due at time of closing

Therefore, Anoka County is requesting 75% of the total or \$268,072 in Park Acquisition Opportunity Funds. Anoka County will provide the 25% match of \$89,358.

The legal descriptions and acreage is shown on the attached memo from the County Surveyor. The negotiated agreement with the land owner calls for closing on this purchase in January 2013. With that, the County respectfully requests the funds be made available for up to one year from the date of this request.

I am enclosing a map that shows the location of the proposed acquisition and location for reference.
