## Proposed Action

That the Metropolitan Council authorize its Regional Administrator to execute a contract with UHL Company to provide HVAC services at the Council’s wastewater collection and treatment facilities in an amount not to exceed \$1,456,679 over a three-year period, with an option to extend for two additional one-year terms at a rate of \$562,000 in year four and \$590,000 in year five.

## Background

The Metropolitan Council utilizes HVAC services for the inspection, maintenance, start-up, trouble shooting, testing, balancing, repair, modification and replacement of mechanical, heating, ventilating, air conditioning including related piping connections and controls at its wastewater collection and treatment facilities located throughout the metropolitan area.

A formal Invitation for Bids was issued on May 13, 2010 and responses were obtained from five (5) vendors. The bids ranged from \$1,456,679 to \$1,775,261 and the lowest responsive, responsible bidder was determined to be UHL Company.

## Rationale

This contract will provide services to help properly maintain the piping, plumbing, and related mechanical systems and equipment at the Council’s wastewater treatment plants, lift stations, and other facilities. The work will include predictive, preventive, and corrective maintenance activities to help meet the reliability, capacity, cost, and quality goals (including permit requirements) of the Environmental Services Division.

## Funding

Funds are available through the annual operating budget.

## Known Support/ Opposition

Contract is supported by the MCES General Manager and Director of Maintenance / None
